Life goes by so fast
Stop for a moment,
And take a look at it . . .
Every picture tells a story.

We need time to dream
Time to remember
And time to reach
Toward the infinite
time to be . . .

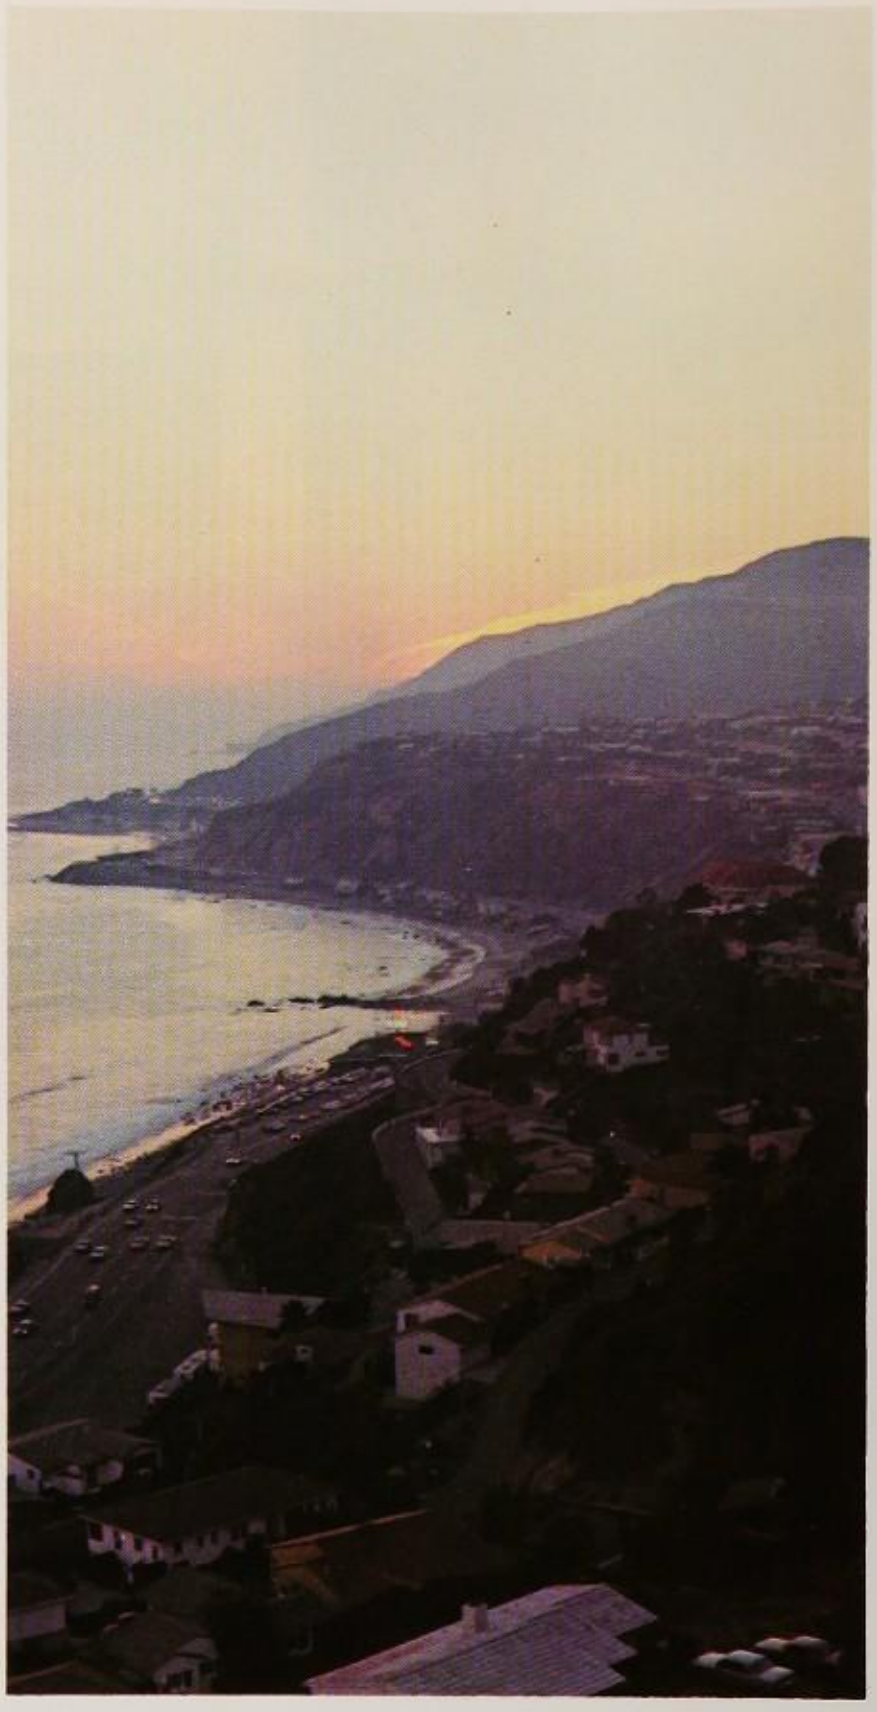
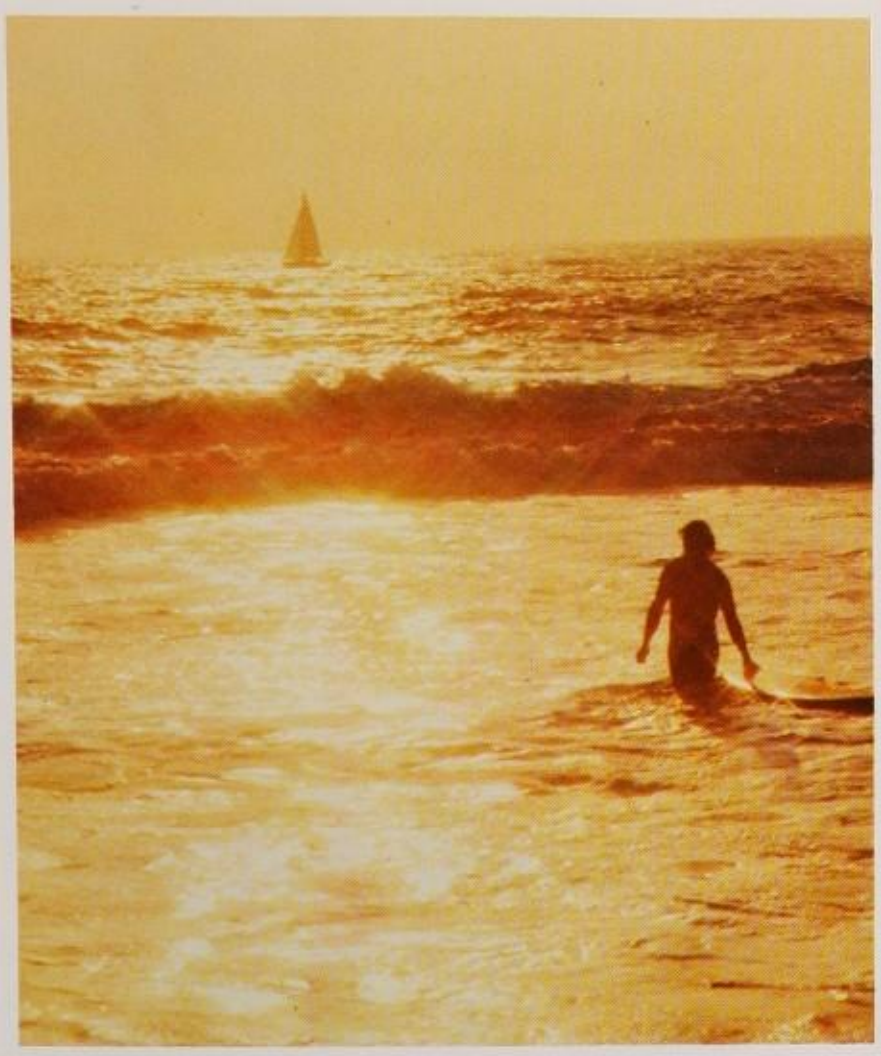
No time is wasted
When people become friends





Though our dreams have lost
some grandeur coming true
There'll be new dreams; maybe
better dreams and plenty
Before the last revolving
year is through

You've got so much to say,
Say what you mean,
Mean what you're thinking,
And think anything.

# Homecoming 1973

Indian Hill witnessed its 82nd Homecoming in as many years as a revival of school spirit made it the happiest Homecoming ever. The coronation of Queen CeCe Sanders and her six princesses highlighted a day that saw Pep Club get its first Sweepstakes for a float. In keeping with another Viking tradition, the MECHA float was set afire.

The night brought a Homecoming victory over North that gave us an undisputed first in Bay League. After the game, the first on-campus dance in three years drew 700 to conclude the day's festivities.

# Varsity Yell Leaders

In the course of a year's time, it is awfully hard to avoid noticing the core of Indian Hill's spirit groups: the varsity yell leaders.

Ostensibly under the guiding hand of the dean's office, the eight of them usually had to fend for themselves when it came to money and transportation. Putting a tremendous outlay for uniforms, they still managed to send themselves to yell camp and capture the spirit stick for the second year running.

Yell Queen CeCe Sanders planned, with the others help, the pep rallies and halftime show that kept the student body entertained and provided the extra push to victory.

Toward the end, as the last wrestling match and baseball game died way, it was the concensus that the 1973-1974 yell leaders were the best in the school.

# Samo's Mascots

High point of most of the pep rallies and half-time activities were the antics of this year's Victor and Vicky Viking, alias Bobby Herron and Kim Steensen, respectively.

Along with suits made out of 17 rabbit skins, devouring microphones, and questionable yells, they made for a little levity usually not inherent in Samohi.

# J.V. Yell Leaders

The eight J.V. Yell Leaders of 1973-1974 pepped up the sometimes laggard and other times non-existent crowds that followed the ever unpopular non-varsity squads from school to school. From Missy's shades, to Ingrid's 5'9'' frame, they kept the show on the road both on the field and at the noontime pep rallies of which they were an important part. While not as visible as the over-powering Varsity Yellers, the J.V.'s always did come up with good routines.

Under the leadership of the Samo captians, Mrs. Ellen Francisco and Miss Gina Biggs, the 1973-74 Sergeanettes proved once again to have a good year. With new uniforms this year, the girls worked hard in performing in halftimes, pep rallies, and parades. Hard work payed off for Samohi's drill team as they showed well at the San Diego parade and Christmas parade at Huntington Park, along with an excellent second place in the Hawthorne parade. Fun came with the work as in their performance at Magic Mountain. The year ended appropriately with the annual awards banquet. The Sergeanettes would like to invite anyone to join if they want to have lots of fun and meet new people.

# The Viking Band

The 1973-1974 Marching Band, led by Mr. Robert Zachman, garnered much recognition for Samohi through their impressive showings at several parades. They were awarded second place at the Rosemead Parade and fourth at the El Primero Band Review despite a conflicting SAT examination. The band also marched in the Hawthhorne and San Diego Band Reviews.

Concert Band's big event for the year was a performance tour through British Columbia where they were very well recieved. Band Two also has the opportunity of giving a performance at Magic Mountain.

# The Indian Hill Vocalists

Backed by the tuneful piano accompaniment of Mrs. Cliss Davis, this year's vocal groups, led by Mr. Don Bremer and Mrs. Janice Mitchell, had a very successful year.

A prime time CBS-TV appearance highlighted the year for the Madrigals as they were selected to represent our school district on a Christmas music program. The day of the taping proved to be very hectic since they also had to squeeze in two other Yule performances.

Viking Chorale proved in the October assembly to be a favorite of the student body with their performance of the Godspell medly complete with shouting soloists. Several members of both V.C. and Madrigals were also selected to sing in the SCVA Honor and CMEA All-State choirs.

Some of the most beautiful sounds of the year were provided by this year's Girls' Glee. Their unique blend of voices helped make our concerts more enjoyable.

# ASB President

Samohi provides an excellent forum for education. With a wide variety of courses, a student can pursue many fields of study. Samo also has many clubs and organizations to suit specialized interests. Students should take advantage of the many advantages available at Samo.

For the underclassmen, I recommend involvement. To my fellow seniors, I bid you good luck.

# ASB Officers

In a year fraught with a high turnover rate in the ASB Cabinet, 1973-1974 still managed to be one of the red letter years in the past decade for the apathy-weakened organization.

Homecoming came and went, leaving with Samohi a legacy of a revived post-game dance. With "Dr. Fixit" providing the heavy sounds for over 700 swinging students, the Cabinet reversed a long trend of deficit spending by pocketing several hundred dollars in door receipts.

Many Cabinet meetings were spent haggling over appointments to vacant offices. Six Cabinet posts—two of them officers—were finally refilled.

The big event of the year, NomCon '74, was a smashing success with Robyn Hammond at the head podium. The prom gracefully rounded everything out.

# Service Clubs

At the beginning of the year the **Girl's Service Organization** served to welcome new Samohi students acting as big sisters. There are many special activities that this organization is involved in such as supporting the Christmas Cheer food collection drive, serving as guides for guests at Samohi, offering to help on refreshments at the Homecoming dance and at the Morgan Theater benefit performance along with helping PTSA sell membership.

**Boy's League** is a representative service organization encompassing all boys at Samohi. It's object is to foster interest in affairs pertaining to boys, to organize events which benefit the entire student body and support all school traditions and regulations. Their duty is to provide service whenever needed, sponsor the Talent Show and contests associated with it.

# Fall Delians

For some strange reason, about 195 people flocked to L-111 during the first part of the semester to become Delians. With Mr. Bernard Roberts and Mr. Leroy Vaughn acting as sponsors, major activities were electing a slate of officers and collecting bus fare from reluctant members on their way to Disneyland.

As per tradition, the group tutored students who needed it, and acted as a school service organization.

SOPHOMORE TRACK

This years multi-talented sophomore track team sported a record of 3-2-1 in the tough Bay League. "This sophomore team is 'mentally' the toughest team I've ever coached," stated Coach Kerry.

Opening their season against Centennial they responded with a 52-47 victory. "This was truly a team victory," reflected Coach Kerry. Outstanding performances were credited to miler Ralph Cardenas, Bill Haldeman and Bernard Fitchpatrick.

In the next meet the sophomores were beaten 72½-45½ by West Torrance to even their Bay record to 1-1. "We were just outclassed by a better team," replied Coach Vincent. Top marks were turned in by Bernard Fitchpatrick in the 440, Bill Haldeman in the 880, Ralph Cardenas in the mile, Paullo Kuendig in the two mile and Fitchpatrick in the high jump.

In their second home meet of the year, the sophs encountered a tough Palos Verdes team loosing 44-74 and came back the next week smashing South Torrance 68-41 to even their record to 2-2 in Bay League. "This Sophomore team has just been super all season," stated Coach Kerry.

Robert Malanga was outstanding as he was victorious in the 100, 220, and a member of the winning 440 relay team.

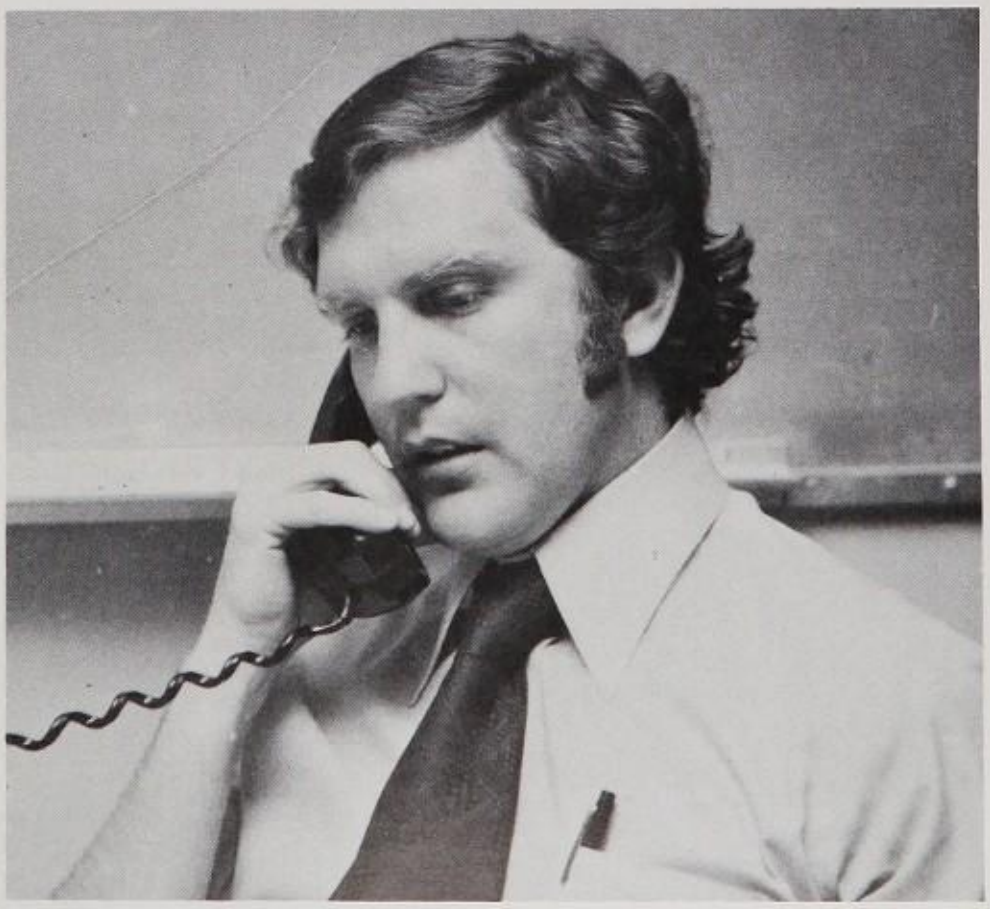
Other outstanding members of this years team included Bill Messenger, Tom Oshimo, John Mateer, Leslie Mandic, and Ken Ford.

The year 1973-1974 saw many new and different things about and around the SAMOHI. First and foremost was Mr. Larry Knuth, the third adviser in as many years. Next came the printing operation, which finally permitted readers to see real pictures instead of black and gray blurs.

But these were incidental to the actual production of the paper. When it all hit the fan, it came down to the individual reporters writing the stories that made the SAMOHI the award-winning paper that it is and had been since 1912.

The first issue back in September was nothing to brag about, due to the fact that no one knew what anyone else was doing. Even though we managed to lose about half the material on the way to the SMC print shop, we never cut back to an undersize paper; indeed, several times during the year we increased the size to accommodate all we had to say.

For the seniors on the staff, this was one year not easily forgotten. For the underclassmen, it will undoubtedly be eclipsed by their own senior year. Even so, the arguments, fights, triumphs, romances, awards, foul-ups and generally good and bad times that were perpetrated by individuals and shared by the staff will be forever etched upon everyone's mind.



# NAUTILUS 1974

Without a doubt, the staff of the 1974 NAUTILUS could relate a lot of sad and strange tales. From deadlines that passed in the night to being outside Glendale High and wondering where the hell it was. There was Lane's budding romance, Ruth's job, Gary's control over the rest of the staff, Lawrence's running commentary on the girls, Lena with Dawn at the beach, constantly, Skip helping Lawrence go 127.6 on the S.M. freeway, Mark's daily second period jaunts to the wetsuits, both Chris' playing when they shouldn't have, Patty, Patti, Kim, Sue, Betty, Cathy and Cindy for just being a bunch of Sergeantettes, John and his messenger service to and from Print Shop, Karen and Margretha keeping Ramada Inn in business, Cathy and her undying fear of having her picture taken, Rich's sports sports sports, Melissa and Mike not doing a whole lot, Phil, Cathy, Cindy and Ed the Johnny come latelys, Pringle good for nothing except being in the way, and Janey, ever faithful to John.

This will be one year and one yearbook that will not easily be forgotten by the people that have built it. We've stayed up late to make deadlines, and we've stayed up late to miss them, we've gone from San Diego to Santa Barbara, and almost to Fresno following the school and it's activities.

But looking at the book in a realistic sense, it's easy to see that putting together a yearbook isn't an easy task. In September, many of the staff had never worked on a yearbook before, and were literally starting blind. But the days, weeks, and months of pressure and confusion eventually passed, and the staff became finely tuned and highly skilled at what they were doing. So as the deadlines passed, the 1974 Nautilus went from film, pages and blank copy sheete to 216 pages of creative fountain and individuality.

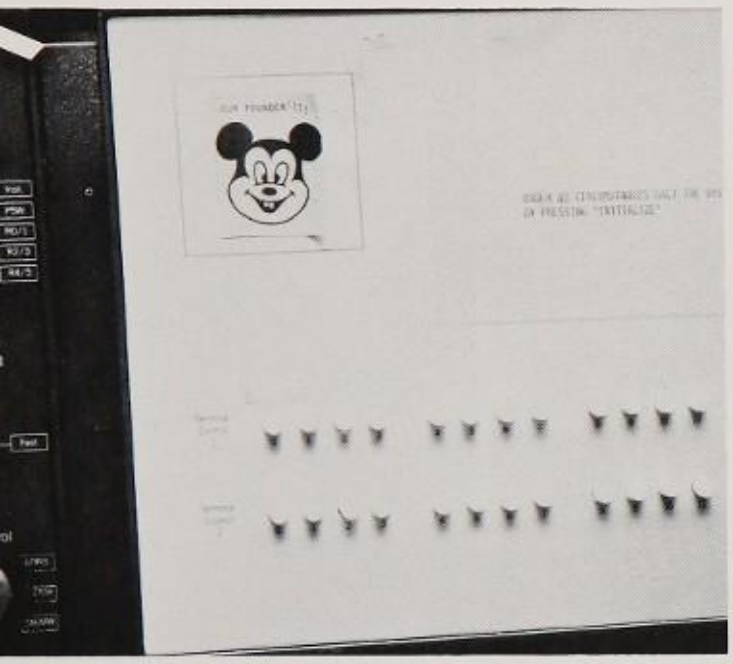
# Viking Clubs



**Computer Programmers** (code-named Universal Algorithms Inc.) met almost daily in the hole under the English Building that served as Samohi's data processing center. With the removal of major equipment, there was little to do, but they still managed to waste their time. Seriously, they provided vauable time to help beleaugered teachers. Chess Club, meanwhile, suffered through a change of advisors in mid-semester as Mr. LeRoy Hutchison left on sabbatical. They also met daily, but were very active in tourneys around the county.

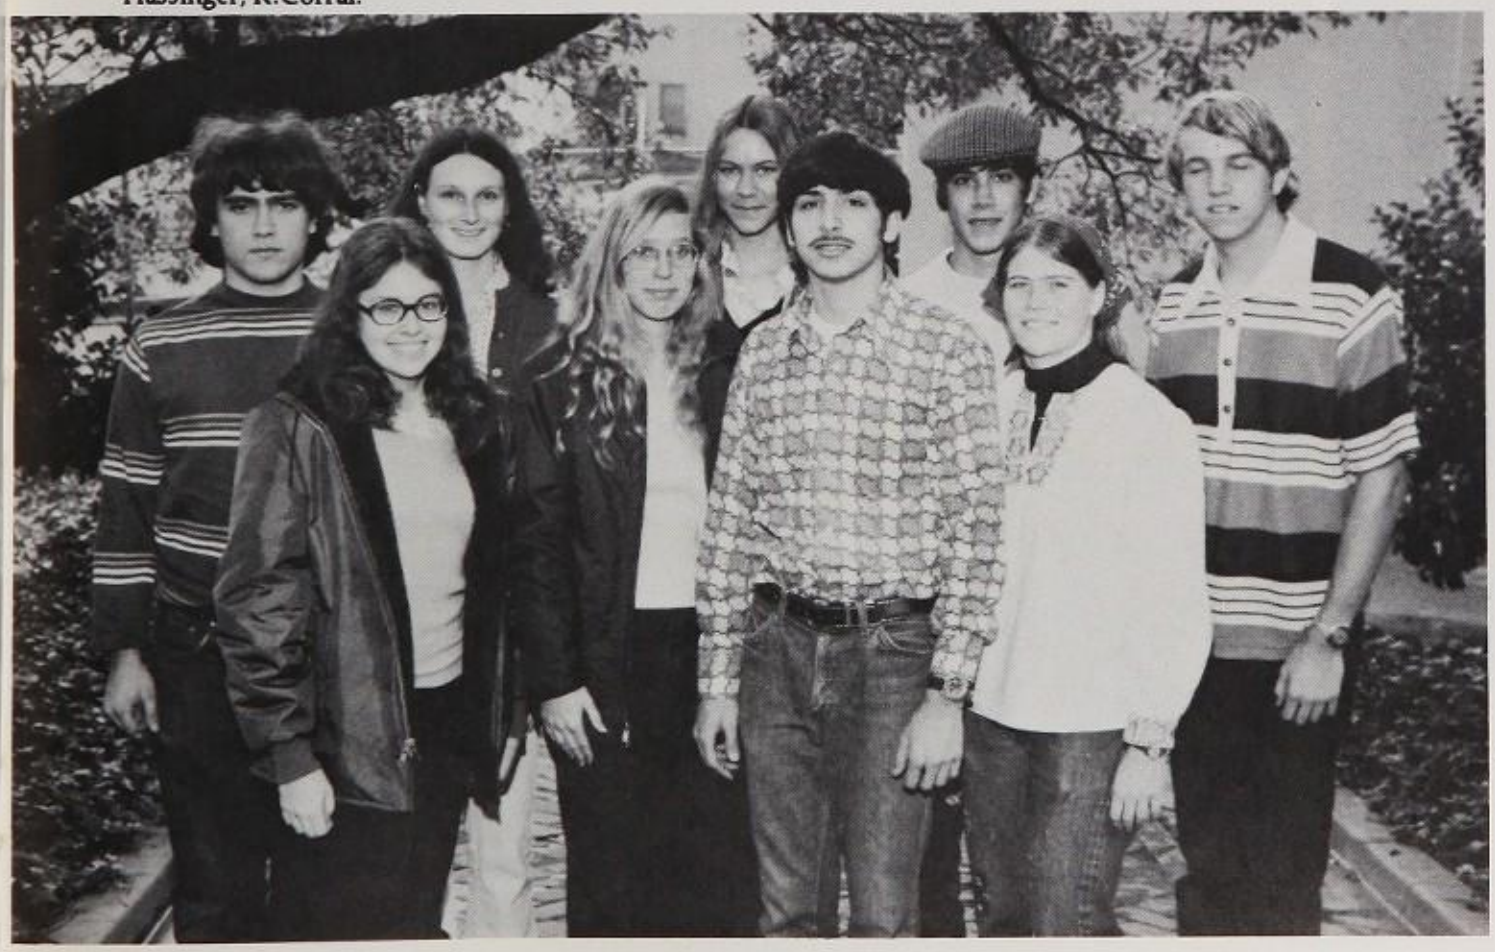
MEDICAL SCIENCE CLUB **(Front, L. To R.):** S.Alfano, P.Yamamoto, E.Mukai, M.Smythe, M.Jones. **Middle (L. To R.):** Mrs. Ann Bystrom, A. Garcia, L.Avendano, J.Sunderson, B.Follette, J.Yuzuki, Mrs. Ruth Sayre. **(Top (L. To R.):** C.Heath, R.Kalab, J.Lunsford, M.LaCass, D.Starling, M. Hassinger, R.Corral.

MATH CONTEST CLUB: **(Front, L. To R.):** J.Funk, M.Hofmeister, B. Kayton, F.Mukai, D.Chin. **Back (L. To R.):** J.Doe, F.Jones, L.Kiriyama.

The **Medical Science Club** is for students who are interested in activities related to medicine. This year, the club, went on fieldtrips to Santa Monica Hospital and Wadsworth VA Hospital. Several speakers also spoke, and the organization held a party for the SM lodge convalescent home. Fund-raising events thru the year funded the Galen Life scholarships.

The **Math Club** this year participated in many competitive events such as the Occidental Math Contest, two Bay League contests, the Pomona and MAA affairs. The purpose of the club is to promote interest in math outside of the class room.

The **Biology Honor Society** sets its goal to keep student interest in affairs and activities related to the field of biology. Special activities included staging a candy sale to raise money and joining the National Biology Honor Society.



BIOLOGY HONOR SOCIETY. **(Front, L. To R.):** G.Salans, B.Stewart, J.Pardo, C.Bremer. **Back (L. To R.):** J.Guldimann, M.Hassinger, C.Frank, A.Black, P.Hovis.

For the second year running, the **Debate Squad** ran off with a gold medal for first place debate when Lane Kiriyama and Francis Mukai won four rounds at Palihi. Fighting underfunding and lack of transportation, they had a very successful year with many speaking awards and engagements. The club was sponsored by Mr. Mike Kosturick.

**The Sound, Stage and Video Crews** were responsible for the technical ends of productions throughout the school year, from basketball games to plays. Handling lighting, recording and mikes at all functions, they served under the direction of sponsor Fred Purucker.

FORENSICS **(Front, L. To R.):** S.Kane, F.Mukai, J.Cadlini. **Back (L. To R.):** A.Selby, F.Jones, M. Hofmeister, V.Dee, L.Kiriyama.

SOUND, STAGE AND VIDEO CREWS **(Front, L. To R.):** S.Mossman, B.Elswick. **Back (L. To R.):** P.Wintler, J.Cox, S.Harris, D.Briscoe, C.Branscomb, J.Bell.

AMERICAN MUSICAL THEATRE **(Front, L. To R.):** E.Tochioka, B.Jex, L.Abraham, M.Rubino. **Back (L. To R.):** K.Whiting, D.MacBain, J.Taylor, M.Coatsworth.

RADIO CLUB **(L. Ro R.):** R.McGuirk, V.Wells, D.Heckerman, D.Condon.

In much the same vein as their predecessors, the Conservatory of Classical Music, **American Musical Theatre** takes great pride and derives much enjoyment from reminecing over scores from past and present musicals. As part of a project, they put in much time helping out on Samohi's musical production "Roar of the Greasepaint, Smell of the Crowd."

The **Radio Club,** which sometimes goes under the guise of Samohams, has their own radio station and jealously guards their rights to the airwaves in the area. Meetings are taken up with intellectual discussions on MHz and other relevant data. The club was sponsored by Mr. Ron Rindone.

**At Left** in "Merchant" Jonathan Levant as an Ethiopian expounds on love, as director Eugene Jellison **(Above)** saunters across the stage on a fault finding tour.

**Drama Club,** in the 1973-'74 fiscal year, finally squeezed permission from the Administration to attempt four performances. With the conflicts of community theatre pressing upon personnel, the first performance was limited to a "Readers' Theatre" presentation of Orwell's "Animal Farm." A very creditable job, it was performed by Larry Jarvik, Larry Hanes, Cindy Bland, Jonathan Levant, Heather Thomas, Mark Dinsmore, and Adam Parfrey. It was directed by Ann Robertson.

Next, in December, came Shakespeare's "Merchant of Venice." Stars were Mark Robinson as Shylock, Ann Robertson as Portia, Larry Hanes as Antonio, and Mark Dinsmore as Bassanio. A great success, it was a flop financially.

To round out the year, musical and contemporary plays were put on. The former was directed by Mr. Bob McLaughlin, and the last by Mr. Eugene Jellison.

DRAMA CLUB **(Front, L. To R.):** C.Falzone, B.Cohen, P.Daggort, R.Slater, C.Moffatt, J.Weisman. **Top (L. To R.):** D.Hodges, T.Brunner, L.Hanes, K.Gideon, J.Caruso, M.Storms, L.Sayre. **Not Pictured** is A. Robertson, T.Spivey, M.Robinson.

In Merchant of Venice, Ann Robertson begs for mercy from Mark Dinsmore.

Larry Hanes portrayed a scrupulous Christian merchant.

Jeff Weisman (Left) talks with Mark Dinsmore.

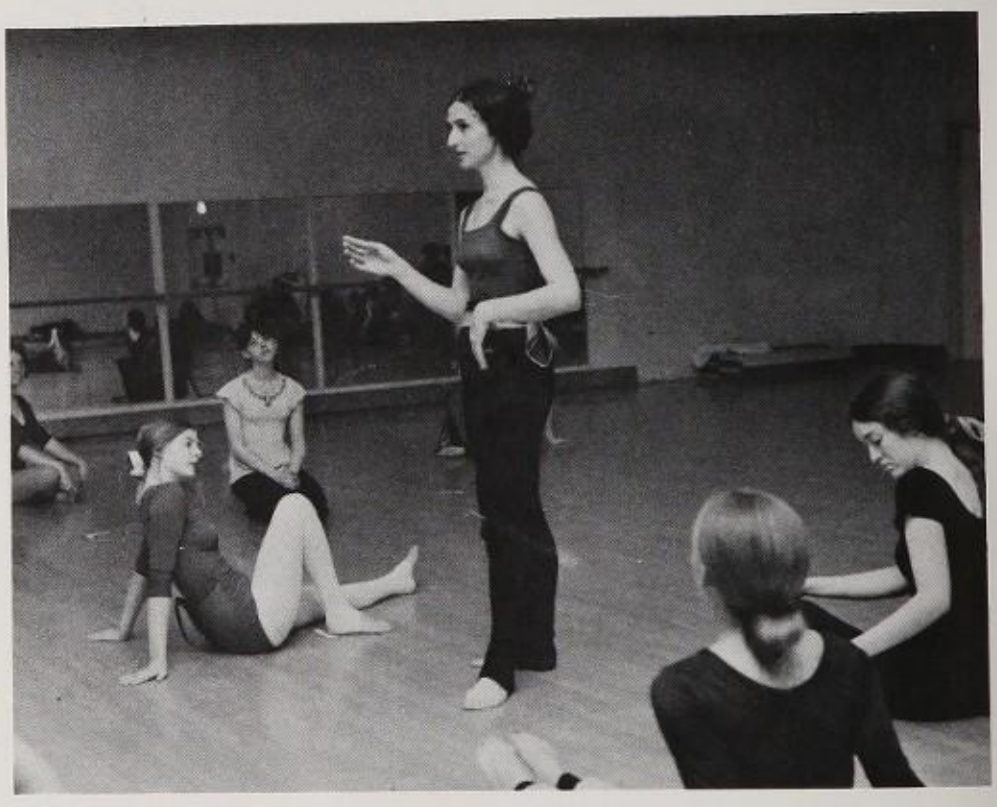
Mark Dinsmore and Valet David Fenton wait on Ann Robertson.

ORCHESIS **(Front, L. To R.):** C.Mondragon. **Second Row (L. To R.):** M.Pecora, R.Hammond, A.Woodall, R.Forga. **Third Row (L. To R.):** C.Williams, R.Danziga, L.Welsta, K.Woodmansee, M.Weinzweig, R.Milner, L.Holzman. **Fourth Row (L. To R.)** T.Dobrin, C.Moffat, S.Lloyd.

**Orchesis** is a class/club devoted to the pursuing of the fine art of modern dancing. Original dance is their forte, with much time spent on actual practice for performances.

To members of **Orchesis,** dance is a medium to be related to poetry, music, and art. In this category is improvisation, professional dance and other forms of the art.

**Agape** derives its name from the Greek symbols IXOYE. They met every Wednesday under the sponsorship of Mr. Bob McLaughlin. The activities of the club are singing together and sharing a special love for one another. There were also films, special speakers, talk sessions, and constructing a float for homecoming.



AGAPE **(L. To R.):** R.Hood, L.Dennis, M.Briones, J.Dolan, J.Wilson, R. Camacho, president.

This intrepid group made the signs and banners that graced Vikesville (example: WALK THE BULLDOGS) that inspired the teams to victory. Their distinctive yellow T-Shirts made them one of the few clubs with a uniform.

Sponsored by Ms. Nancy Zeifman and presided over by Scott Blake, the **Pep Club** had a lot to say about spirit during the year, especiall during football and basketball seasons.

The **Farmworkers' Support Club** is one of the few politically oriented clubs on Samohi's campus. With an intense interest of plight of California's agricultural laborers, they organized boycotts of the cafeteria's salads, and picketted Safeway markets.

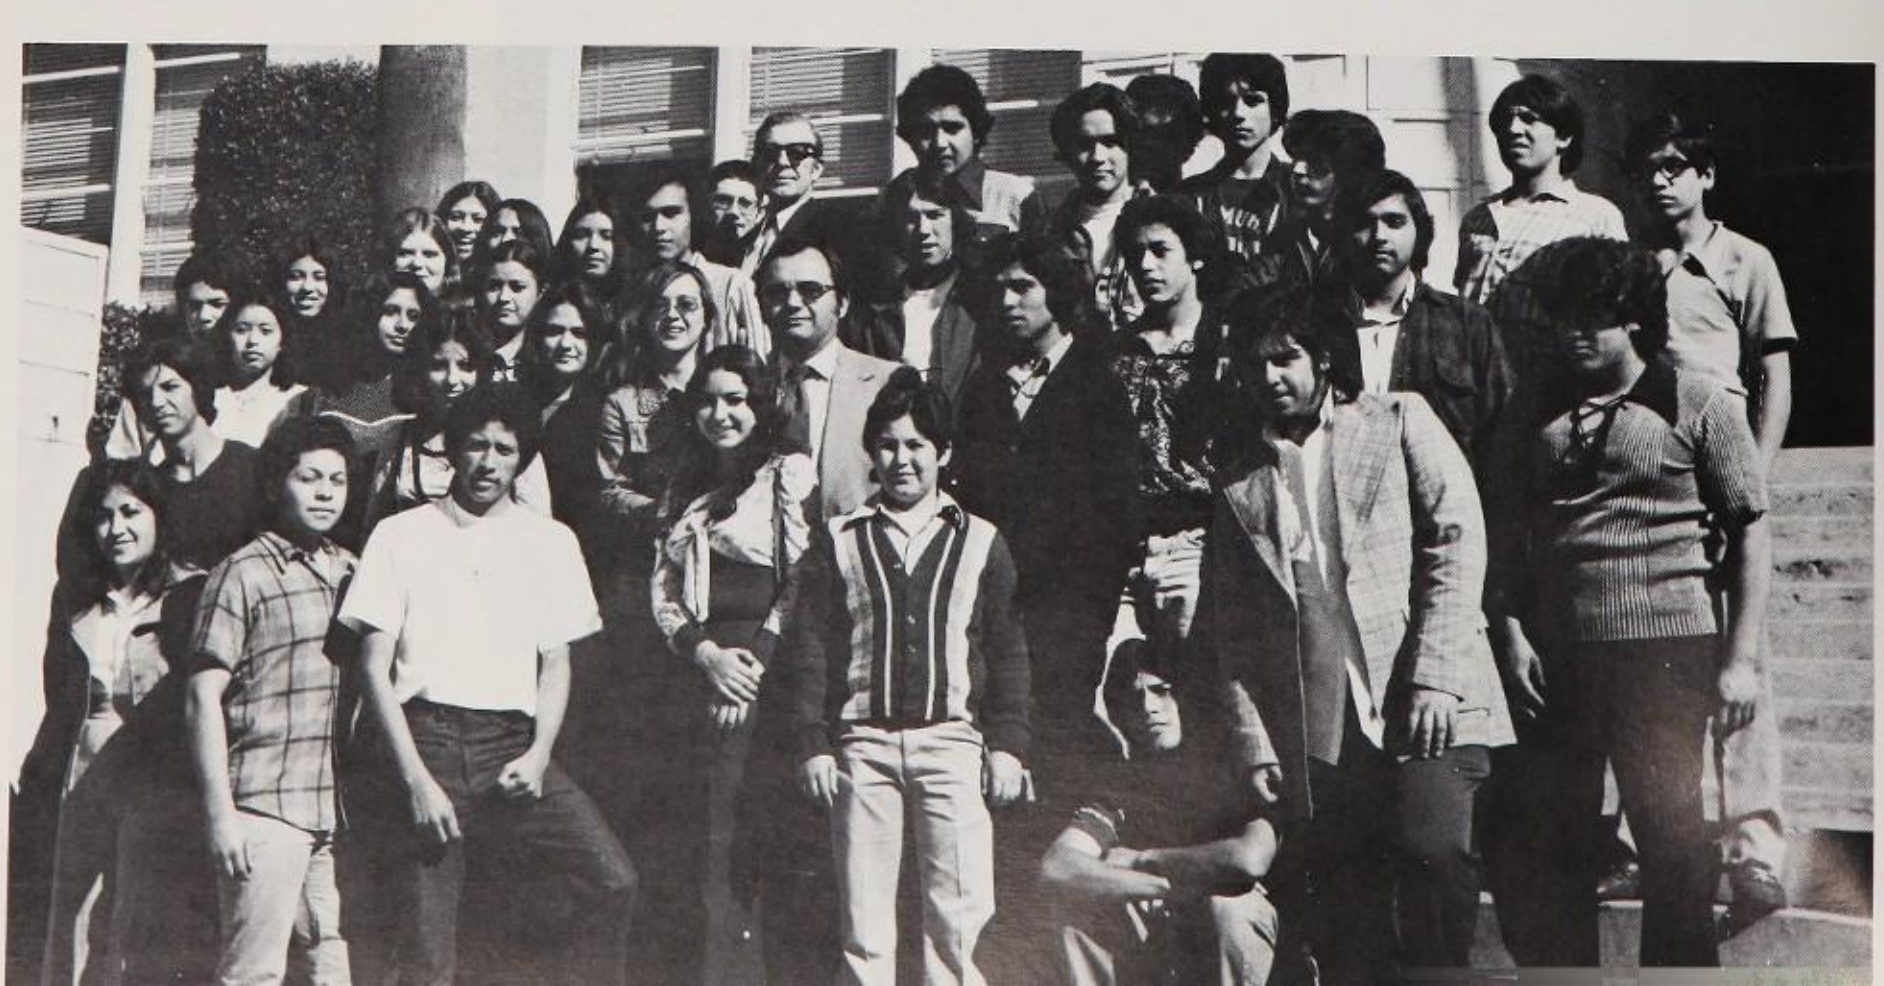
Sponsor Ernest Garcia saw to it that there was a place to meet, while keeping a watchful eye on all proceedings and volunteering valuable advice.

FARMWORKERS' SUPPORT CLUB **(Top, L. To R.):** D.Blocker, M.Cetner, D.Hodges, M.Olmedo, B.Hodess, M. Morrisey; **(Middle, L. To R.):** T. Morrisey, M.Cobb, M.Weinzweig, L.Jones, N.Smith; **(Bottom, L. To R.):** A.Nunez, R.Montalban, J.Fox, C.Hirchman.

**M.E.C.H.A.** is an organization dedicated to the advancement of Chicano culture. At the beginning of the school year, they plan for field trips and fund-raising events to get money for scholarships.

Some field trips that **M.E.C.H.A.** went on were to colleges to aquaint Samohi Chicano seniors with college opportunities. Those visited were to USC, UC Irvine, and Cal State LA. With a busy year behind them, they extended hearty thanks to Mr. Garcia, Mr. Villa and Ruben Mosquida, as well as the Santa Monica Board of Education Chicano Advisory Committee.

**Club Hispanico** busied itself throughout 1973 and 1974 with dances, trips, and celebrations of various dates important in the Latin history. The biggest event by far was the gala Cinco de Mayo affair in which **Club Hispanico** set the scene with authentic dances, food, and costuming. The organization was sponsored by Mr. Forrest Freed and President Armando Nunez.



**BSU** was a big busy club during the year as they held various and sundry money-making activities for scholarships. With an avowed goal of solidarity in the black community, they met regularly under the direction of sponsor Mrs. Sue Miles.

**Le Cercle Francais** was formed for the purpose of aquainting French students with French culture. The most enjoyable part of this was the cooking and eating of French culinary.

The main activity in the year was the production of a full length play in French. To raise money for this, they had bakesales: the speciality was guillotine-shaped cookies.

LE CERCLE FRANCAIS **(L. To R., Front):** A.Binstock, K.King, C.Chabay, Z.Levy, L.Stahlman, F.Sameyha, B.Follette, M.Smythe, M. Hann, D.Peter. **Back (L. To R.):** C.Dufour, K.Gedeon, G.Paris, A.Yang, L.Robertson, J.Gaydos, G.Adey, M.Brandt, L.Troy, L.Lloyd da Silva, P.L.D.

Undoubtedly one of Samohi's most popular organizations, the Ski Club started the fall semester with a candy sale to help finance their trip to Mammoth during Thanksgiving vacation. Although the Ski Club's Christmas trip to Alta was a snowed-in failure, they planned another trip to both Alta and Mammoth during Easter vacation. To help finance their ski trips, the 85 members and sponsor Ms. Kitty Weber presented the two ski films,"Yahoo" and "Winter Heat".

Splashing its way to popularity the Oceanic Club provided its members with activities such as sailing for both leisure and competition, freediving and scuba diving. Palos Verdes, Santa Catalina, Ana Capa and South Laguna were some of the popular spots for the Oceanic Club. In addition to these activities, the Oceanic Club also sponsored noontime sailing lessons and an annual freediving instruction program under the direction of Mr. Vic Richards.

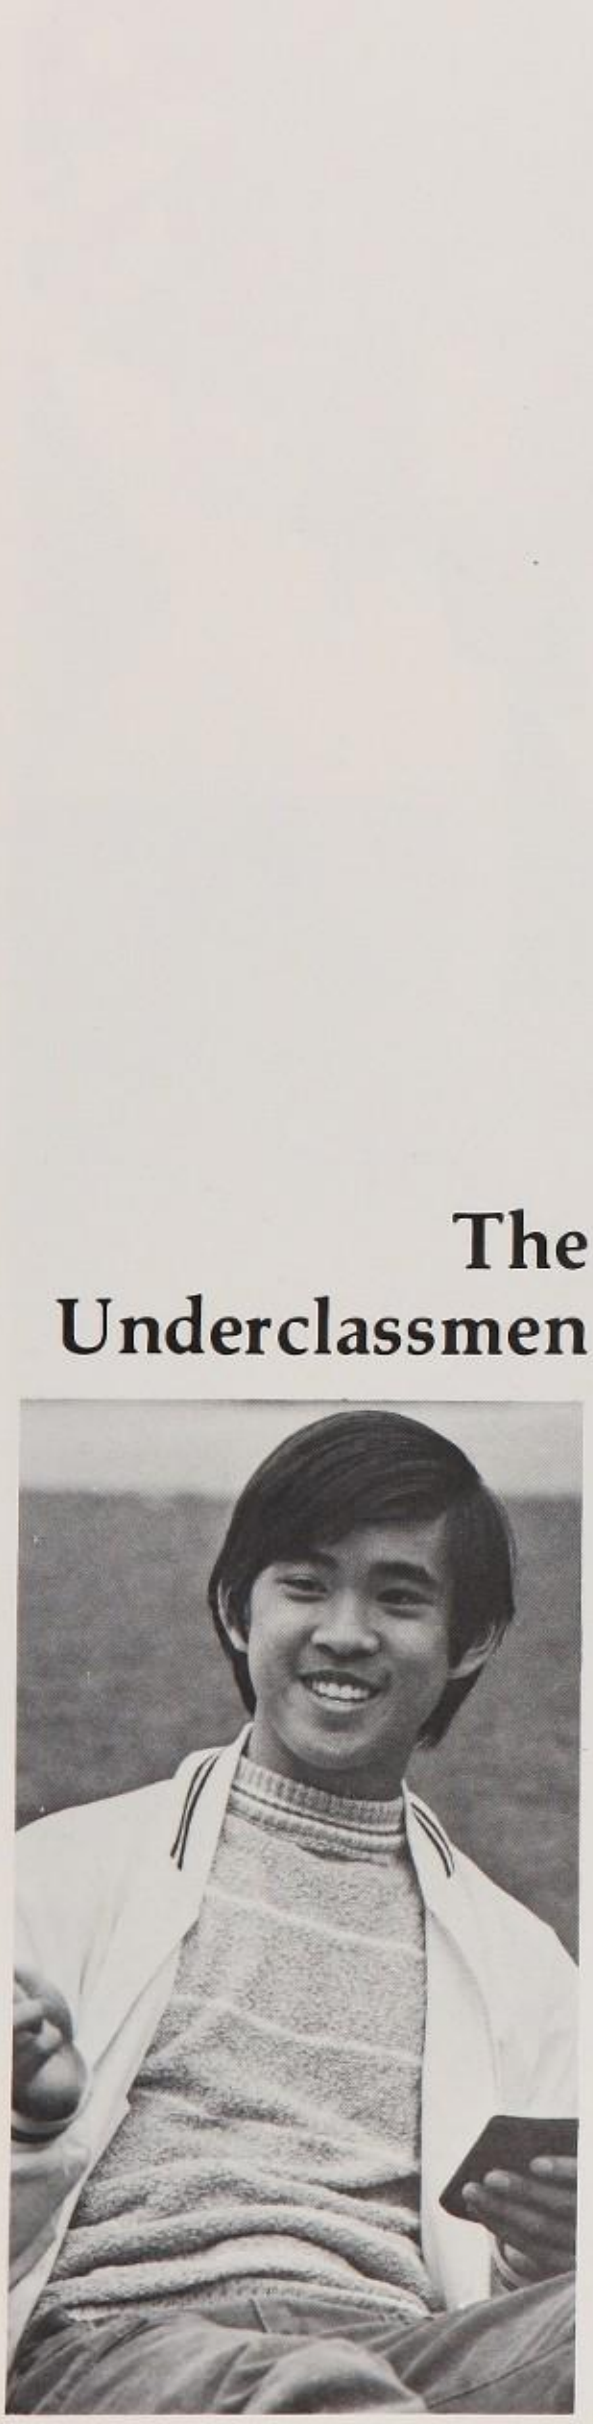
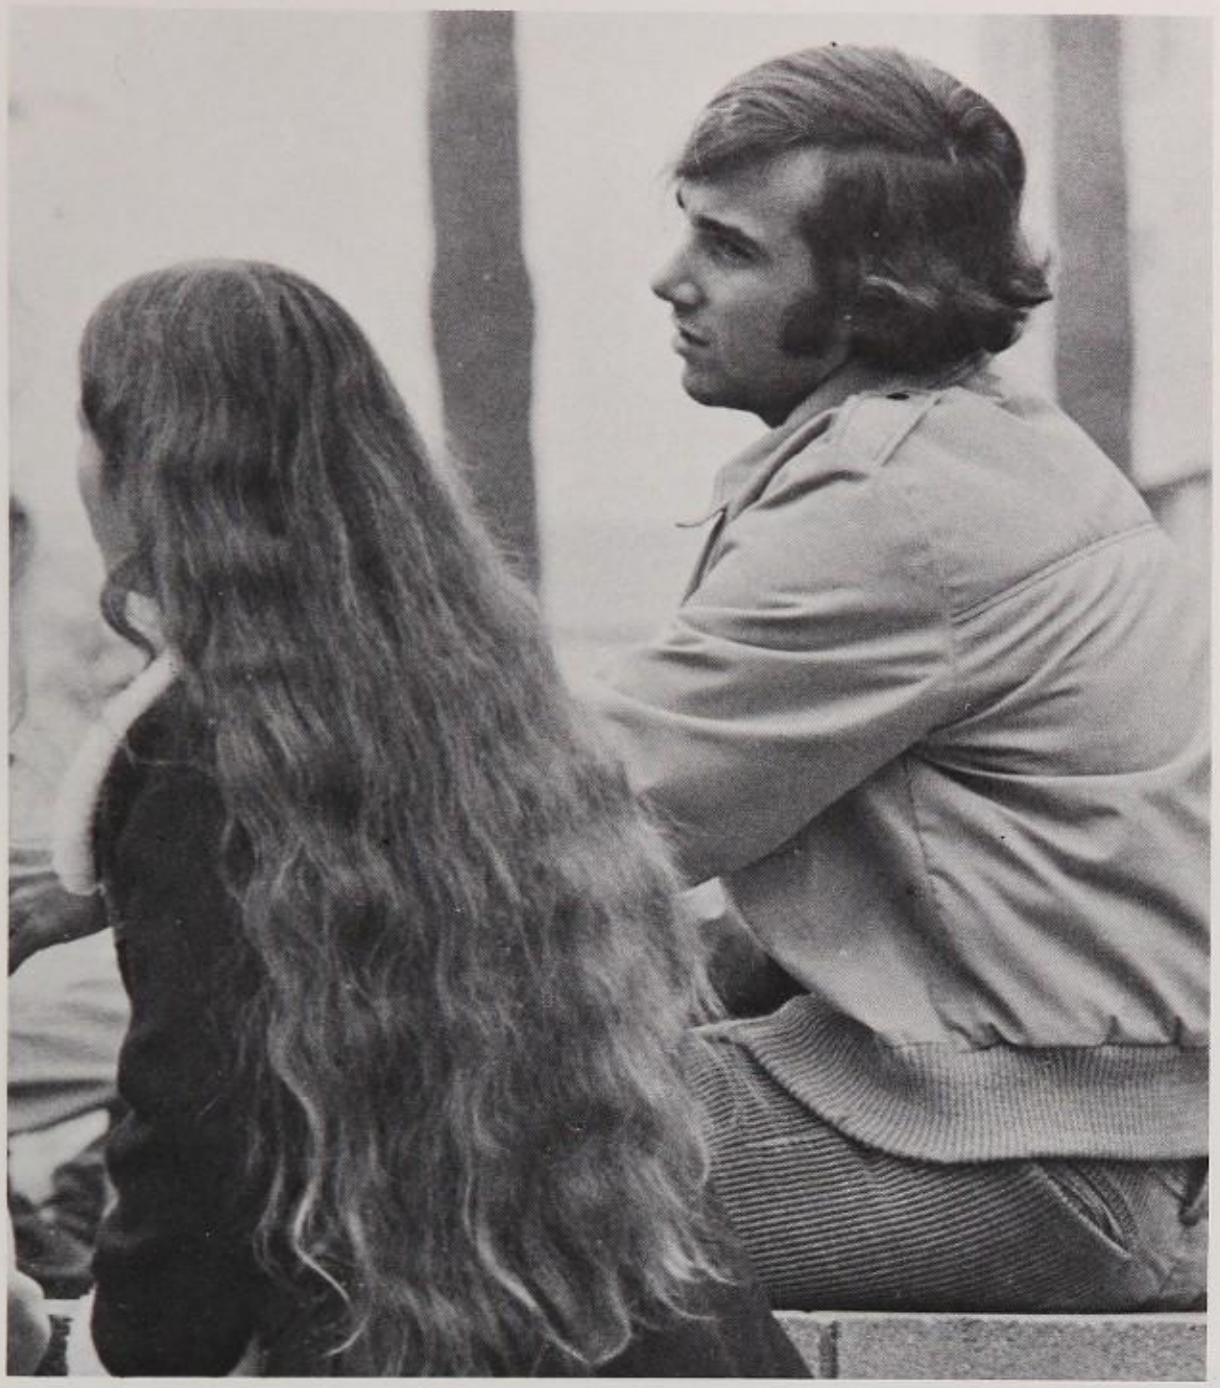
# The Underclassmen





The world is yours, as well as ours, but in the last analysis, it is yours. You young people, full of vigour and vitality, are in the bloom of life, like the sun at eight or nine in the morning. Our hope is placed on you.

# Class of 1975

Breaking a long standing tradition of senior dominance, the Junior Class won the class competition of the Homecoming floats with their version of a Viking helmet. The Class of '75 also busied themselves with collecting old newspapers while again beating out the seniors for top spot in the paper drive. Perhaps out of feelings of remorse for coming out on top so often the Junior Class did provide us with a very fine prom which proved to be one of the highlites of the spring semester.

Class sponsor Lee Finch added his hand by pushing the class board into various money-making activities such as clean-ups and sales of programs at sports events. All in all, they look forward to a great year next year.

# Class of 1976

INTRODUCTION TO SOPHOMORE CLASS

What did the class of '76 do during their Sophomore year?

Well they followed traditon and all came to Samo afraid and uncertain, their eyes full of fear.

In no time at all though they felt right at home, they realized their fears were for naught.

As full-fledged Vikings they entered the realm of high school for which they had sought.

Each Sophomore found his own niche in the school's activities from football to music and more.

Tennis and dancing, sculpture and science, swimming and drama for every Sophomore.

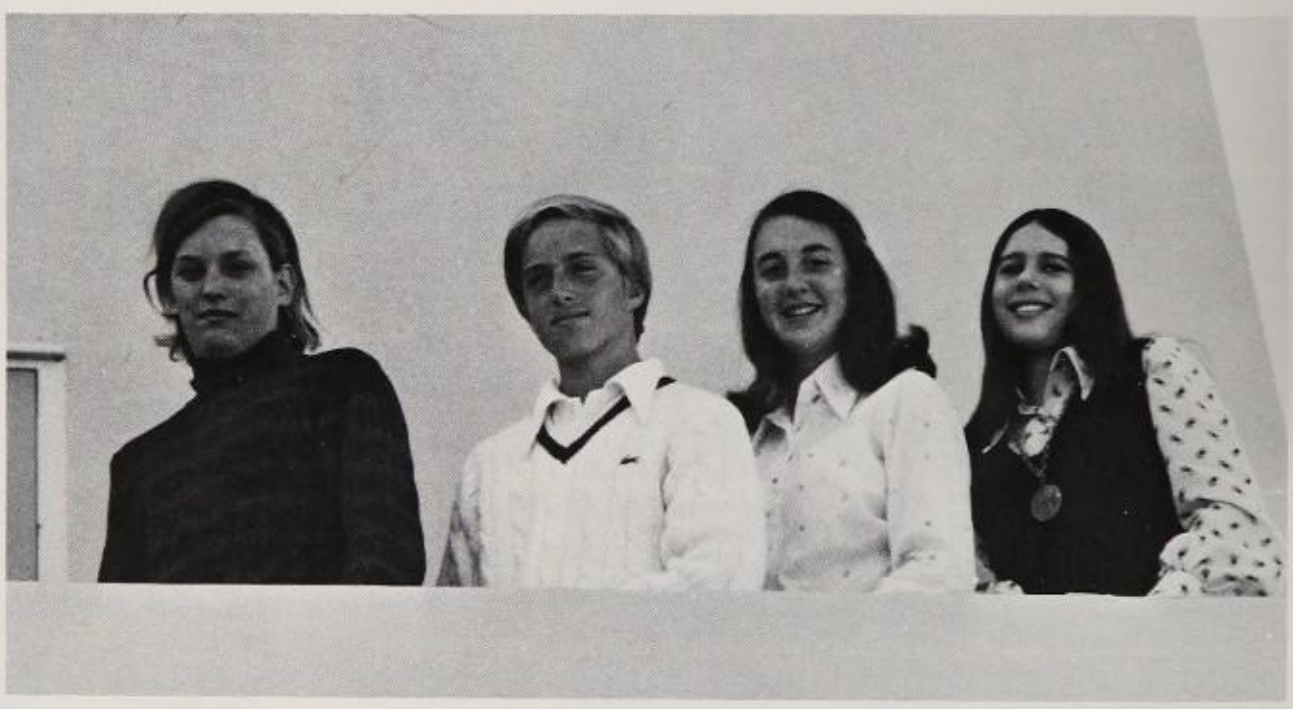
Some went to dances others went to games, a few even gave the board meetings a fling.

And with each new interest they gained a new friend and the happiness which that can bring.

So as the year closes they look back with pride at accomplishments that they have met.

And to forcast their next years at Samo they say "You ain't seen nothin' yet!"

SPRING OFFICERS **(L. To R.):** S.Gabriel, N.Downs, L.Baker.



FALL OFFICERS **(L. To R.):** A.Williams, vice-president; J.Maresca, president; P.Engle, secretary; L.Baker, treasurer.

# Principal W. Terry Pearson

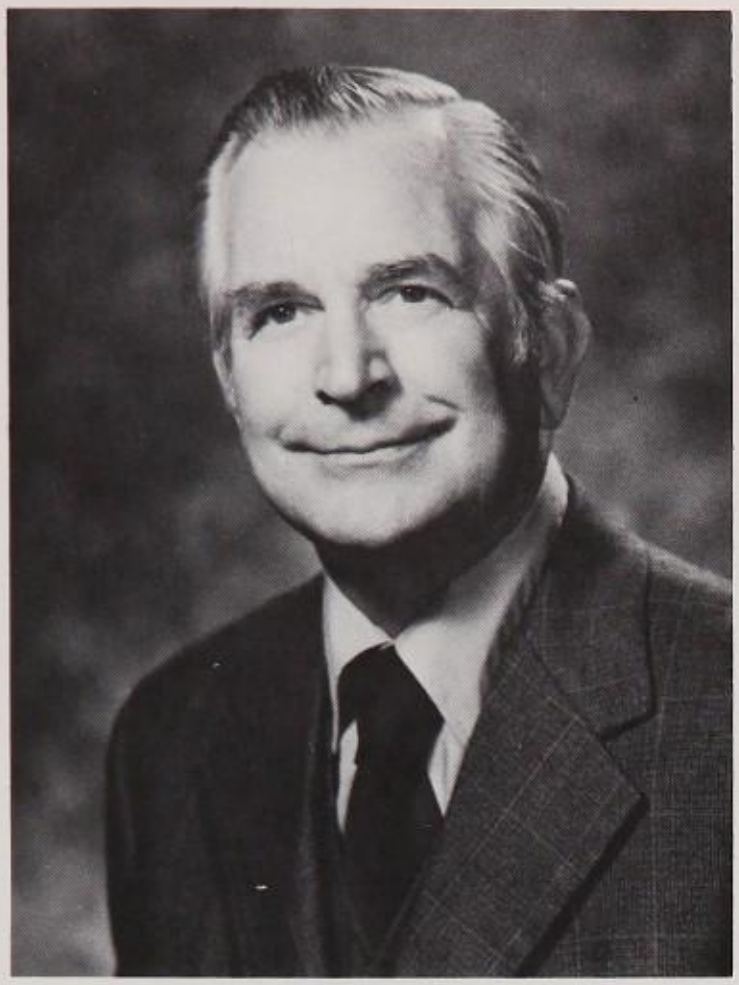
The 1973-74 school year has truly been outstanding. Congratulations to the Class of 1974 for the leadership you have demonstrated in meeting the many challenges that face us each year. I am proud of you and your contributions to SAMOHI - particularly your initiative in bringing to the attention of all of our students the importance of school spirit and pride.

The game of life can and should be a great adventure. Decide now that you are going to do something with your future. All of you can make a contribution.

Best wishes for future success and happiness.

Sincerely,

W. Terry Pearson



Mr. Porter I. Leach

# Vice Principals

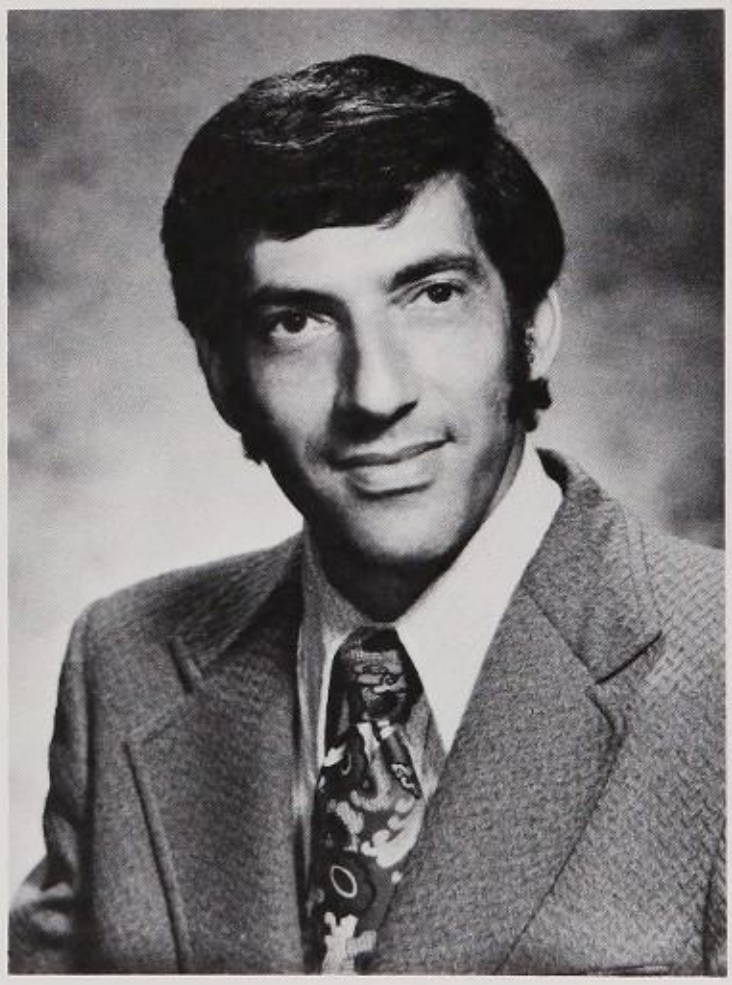
In the roar of a typical day at Samohi, most students can expect to come across the handiwork of one of Indian Hill's vice-principals.

First there is Mr. Porter I. Leach, vice-principal student activities. In this position, he oversees the many happenings during the day, from ASB Cabinet meetings before school, to rock concerts at lunch to emergencies after school to supervising sports events in the evening. Added to this are his tasks of coordinating campus security and buildings and grounds during regular hours.

Vice-Principal Curriculum Services Beverly Waters is in charge of the academic end of the administration. From her office in the counceling office, she ponders what classes the students need and can cancel, alter or create classes to suit the students.

Mr. Sandor Rosenfield is the vice-principal pupil-personnel services. This title puts him in the envious position of guiding the guidance counselors, as well as partaking in special programs such as the Career Day episode.

Miss Beverly Waters



Mr. Sandor Rosenfield

# Administrators

Deans Sevland and Turner strive to encourage good attitudes towards attendance and behavior. One of the formost objectives of the deans is to continually revise and improve the attendance procedures. By minimizing paper and book work, more time is alloted for personal contact. Girls' and Boys' League, class boards and assemblies are some of the activities sponsored by the deans. Jonie Lewis is in charge of child welfare and attendance. In this position, he oversees attendance policy and acts as ombudsman between students and administration.

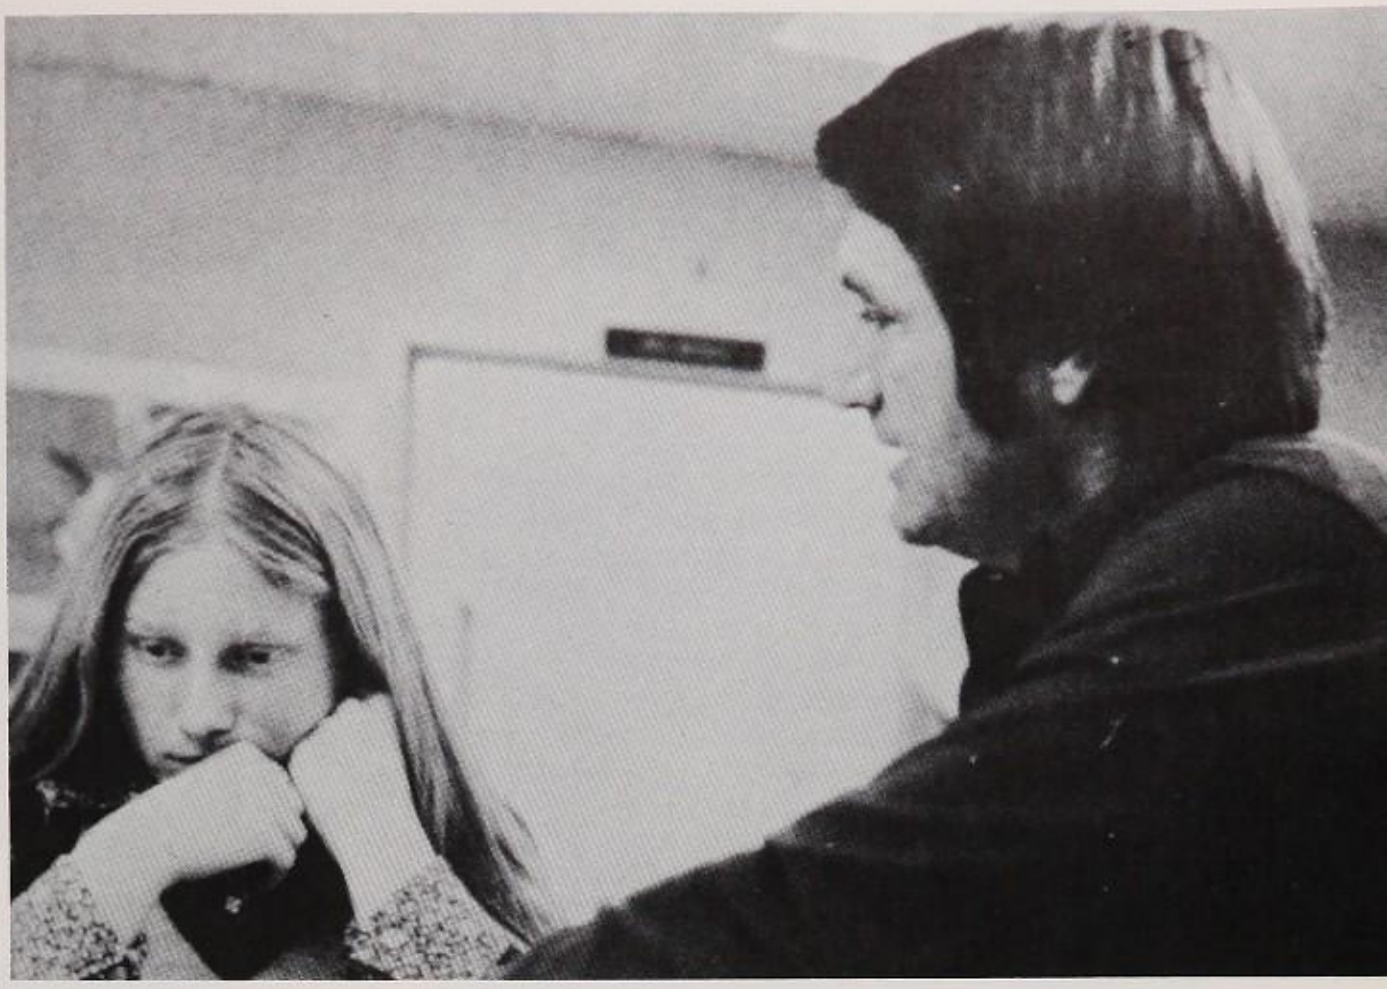
# Counselors

Stepping from high school to a college environment is a big and important step for most students. And many students would be lost without the help of the fine counseling staff in easing this transition. Based on course preference and available space, ninety per cent of the student body is sorted by computer into the electives of its choice.



Counselor Grant Thompson

# Secretaries

The secretaries who are not commonly seen by the average student, are the supporting forces behind the more visible administrators. Without their backing, Samohi would not be the fine school it is.

# Language

One of the strong points of the Samohi curriculum is the fantastic language department. With the language lab's superior facilities, Vikes' knowledge of foreign cultures and customs grow every year.

One of the longtime strongholds has been the Latin departments national awards. Led by Mr. Bernard Roberts, they have always managed to get some award from the ASPL.

With the goal of enriching the students education in the cosmopolitan world of the 'Seventies, language is doing its part to make for a more enlightened society.

# Samohi's Mathematics Department

Accounting, Navigation and engineering, are just some of the subjects in which logic for intelligent problem solving is required. And this logic is learned in math class. Through concrete measuring aids, the math lab is designed to improve comprehension of numerical relationships. This department stresses that computers solve problems, but the language these computers use is mathematical.

# Science

The accent for development in the science department is on the lab oriented expirimentation, enabling the student to observe first hand the phenomena as described in the text book. As a result of this emphasis, a year long course in marine biology is offered. Direction to hopefully be explored in the future, are paramedical training and modular scheduling for labs.

The Social Studies department offers a wide range of course studies, and works to enlighten the student of the world around. This process takes place by offering the student a wide variety of course selections. Where a junior was once limited to one mandatory history class, he may now more precisely control his education with such classes as Black or Chicano studies, or California History.

The rights and responsibilities of citizenship are (theoretically) taught to seniors in Government I and II augmented by such electives as Consumer Economics and Modern European History.

# Fine Arts

The object of the fine arts department is not only to teach the student to produce art, but to instill in them a keen sensitivity, and a deep appreciation of fine culture. Enabling students to perform the works of master playwrights and composers is a function of the music and drama departments. The media of art and dance encourage expirimentation within structural disciplines.

# Industrial Arts

One can often hear students utter such coments as "What good is geometry gonna do me?" or "Why don't they teach me something what's gonna do me some good?". Well, we hate to be contradictory, but Samohi has one of the finest industrial arts departments in the state. If a student goes through the entire set of auto shop courses, he could easily get a job as a gas station mechanic. The industrial arts staff feels that a vocational education is equally as important as a college oriented education.

# Drivers' Education

Driving is an essential part of everyday life, in todays busy society. We all look back on our first experiences with driving fondly, but do we ever stop to think of the fine instructors who taught most of us what is now common knowledge.

# Library Section

When ninth graders leave the junior high nest, and come to the big high school, one of their first experiences is with the readers guide, and many of them would be lost without the eager help of the librarians. With the recent installment of the new machine, the librarians can spend less time watching out for crooks and more time to spend with students.

# The Competitors

# 1973 Varsity Gridders

When this 1973 football season got underway, Samohi was picked to finish no less than third, right behind North and Centennial. Well, whoever makes those pre-season picks must never think highly of the Vikes.

But when the Big Blue Machine got rolling, it made believers out of many people including the rest of the league as it at one point reeled off seven victories in a row, and made the pre-season picks wrong again.

Coach Tebb Kusserow's gridders were probably the best football team as a whole to come through Samohi in quite a while. And no one can doubt I that remark.

Finishing the season with an 8-1 mark overall and 6-1 in Bay League action, you can see Samo fielded a power house, limiting their opponents to only seven points on the average while they themselves scored 20.

Coach Kusserow talks about his Vikes. "The Bay League was much stronger than last year with the addition of Rolling Hills and Palos Verdes. We looked at the league not as a whole but focused on one game at a time. The Bay League this year was more competitive in 1973 than it has been in some time."

Coach Kusserow went on to explain, "our team played with poise throughout the year. The players reacted similarly with each win and the one loss. This mature attitude is indicative I believe of a deep concern and committment to the team. In this regard I think the '73 team was perhaps more committed than some teams of past years."

Stating also that every player is instrumental on the field, Coach Kusserow also said that "we are fortunate to have some players of certain caliber, who by virtue of natural ability, hard work, and dedication are among the best at the positions they play." Some of those that he singled out were defense linebackers Tim Gonzalez and Tony Raymo, tackle and end, Robert Allison and Cy Bolton and backs Ainslie Washington and Dennis Thurman. On offense, Thurman, Raymo, Dareyl Young and lineman David Tubbs.

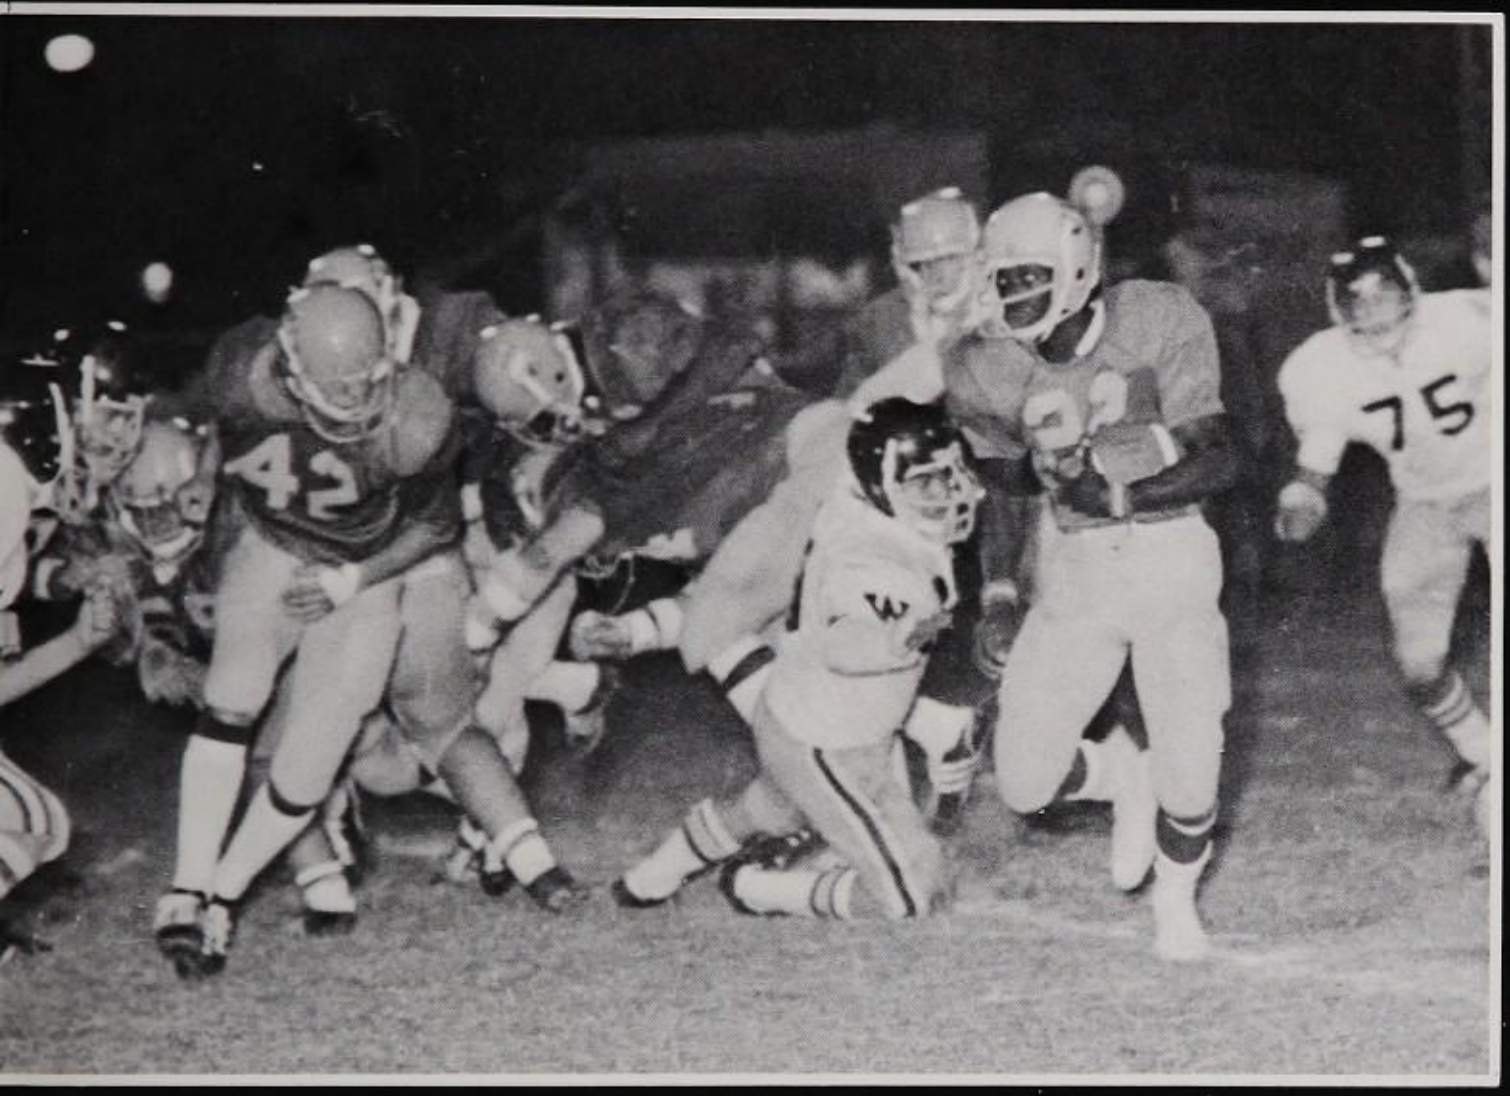
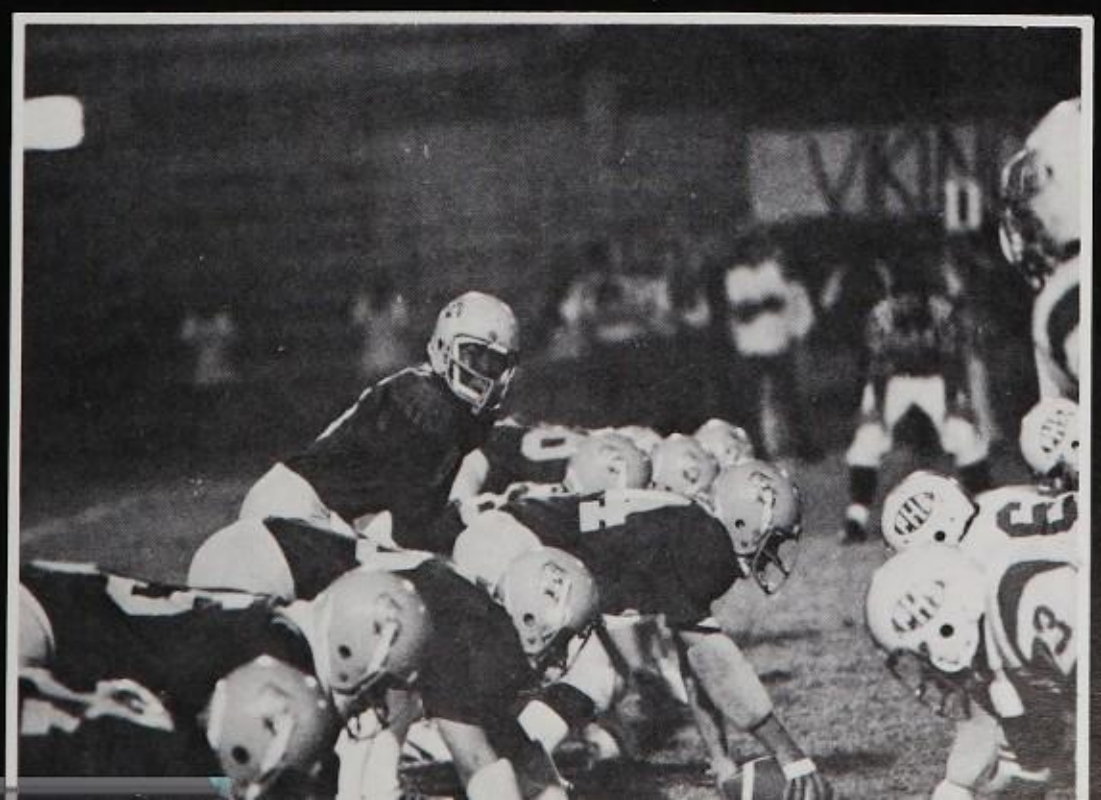
Chasing down North High Q.B. is defensive end Cy Bolton.

Steve Beverly takes time out to clown around.



Breaking for daylight against West Torrance is halfback Steve Beverly (22) with blocking help from (42) Terry Denham.

Looking over offensive line and barking out signals is (8) Dennis Thurman taking snap from (54) Bob Ryan.



Starting off the '73 slate, Samo encountered the Burbank Bulldogs and handily defeated them 16-0, behind great defense led by Robert Allison and Ray Smith. Smith accounted for the Vikes last points as he tackled the Bulldogs QB in the endzone for a safety. Samo's first two TD's came on runs by Thurman and Steve Beverly.

Seeking revenge for last year's loss to Pasadena, the Vikes opened up their first home game by stunning the Bulldogs 27-12. Trailing 12-7 at halftime by getting only one TD, that by Thurman, the Vikes held Pasadena scoreless throughout the second half, while Thurman, and Beverly ran wild, each scoring a TD in the fourth quarter. Samo closed out the scoring for the night as Derrick Thurman intercepted a stray Bulldog aerial and ran it back 80 yards for the score.

Rolling Hills proved to be no slouch, but the Vikes were equal to the task, as they grinded out a 14-6 victory over the Titans. Tony Raymo scored the first Samohi TD as he took an option pass from Beverly for the score. Anthony Williams tallied the other TD for the Vikes.

Hitting the road again, Samo faced the Centennial Apaches on a neutral field at Compton High School, which is funny to say it was neutral. Defense was the standout as the Vikes narrowly escaped with their scalps 7-0. The lone TD of the night came in the second quarter as Beverly scored on a 22-yard run, while Greg Cheatham added the extra point.

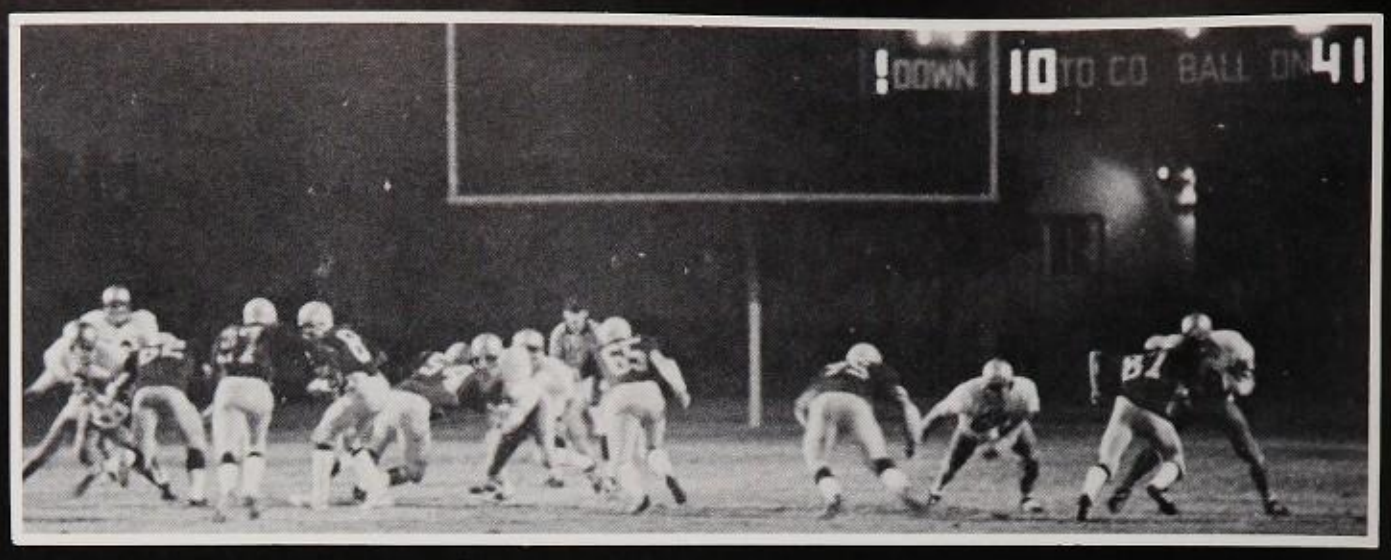
Revenge again entered Samohi's mind as it faced West Torrance and its cocky CIF player of the year in 1972 Pat Schmidt. Well, the Warriors went home a loser 26-14 and Schmidt went home humbled by the Samo defense, and probably talking to himself. The Vikes got off on the right foot as Beverly returned the opening kickoff 73 yards for the score. Thurman also returned a punt 80 yards for a TD and scored another. Beverly also added a tally with a 14 yard run. So the Warriors returned to their teepee scalped.

South Torrance was the next opponent and proved to be no contest as Samo rolled 28-7 behind Thurman, Beverly and Williams. The defense turned in another stellar effort.

Coming into the homecoming game against North Torrance, the Vikes had one thing in mind: win one on Homecoming! Having not done that in the past two years Samo finally did, handing the Saxons a 21-6 defeat, and getting as high as third in the CIF ranking rankings.

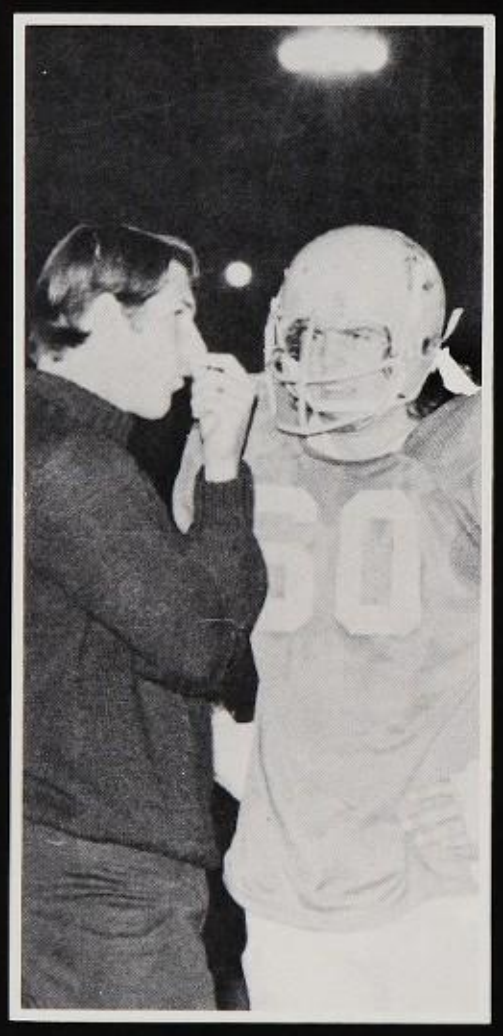
Then came the Palos Verdes Seahawks and they were ready as they upset the Vikes 20-13 on a gloomy day on the PV peninsula for Samo's only blemish on the season.

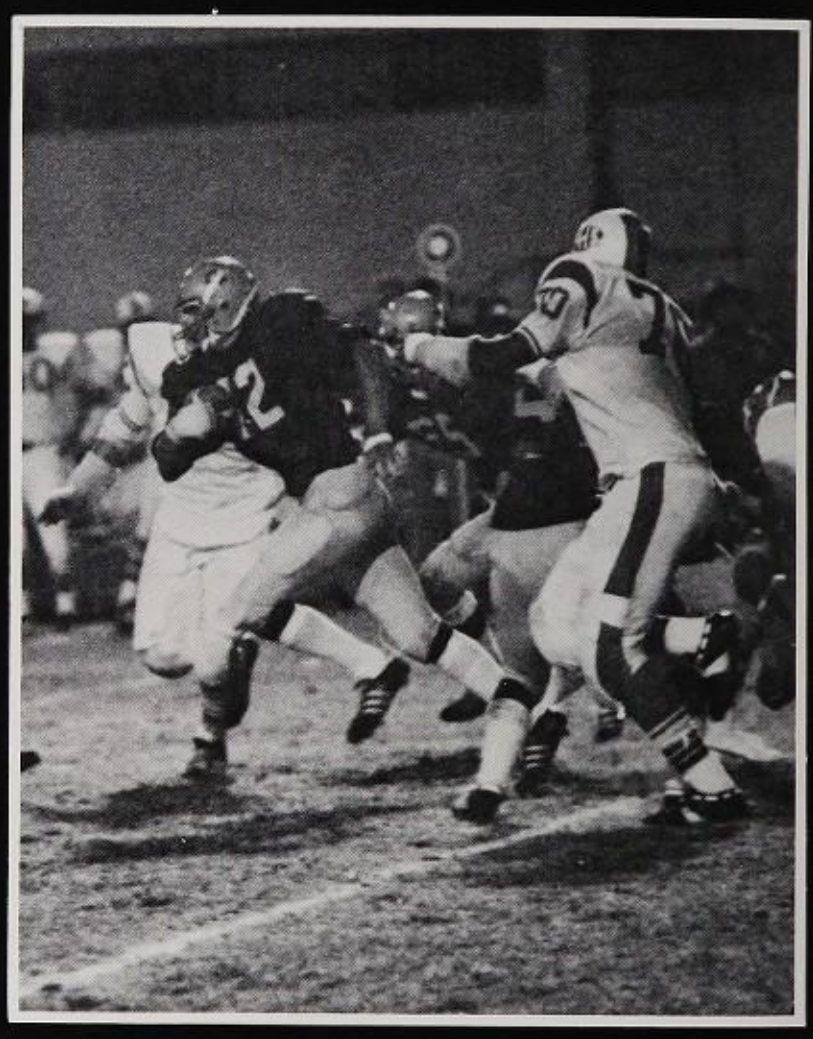
Closing out the season on a rainy muddy field at Torrance, Samo scored all its points in the first half then held on to beat the Tartars 21-6 and clinch first place and a CIF playoff berth.



Scoreboard tells story against Rolling Hills as Dennis Thurman (8) hands off to (27) Anthony Williams.

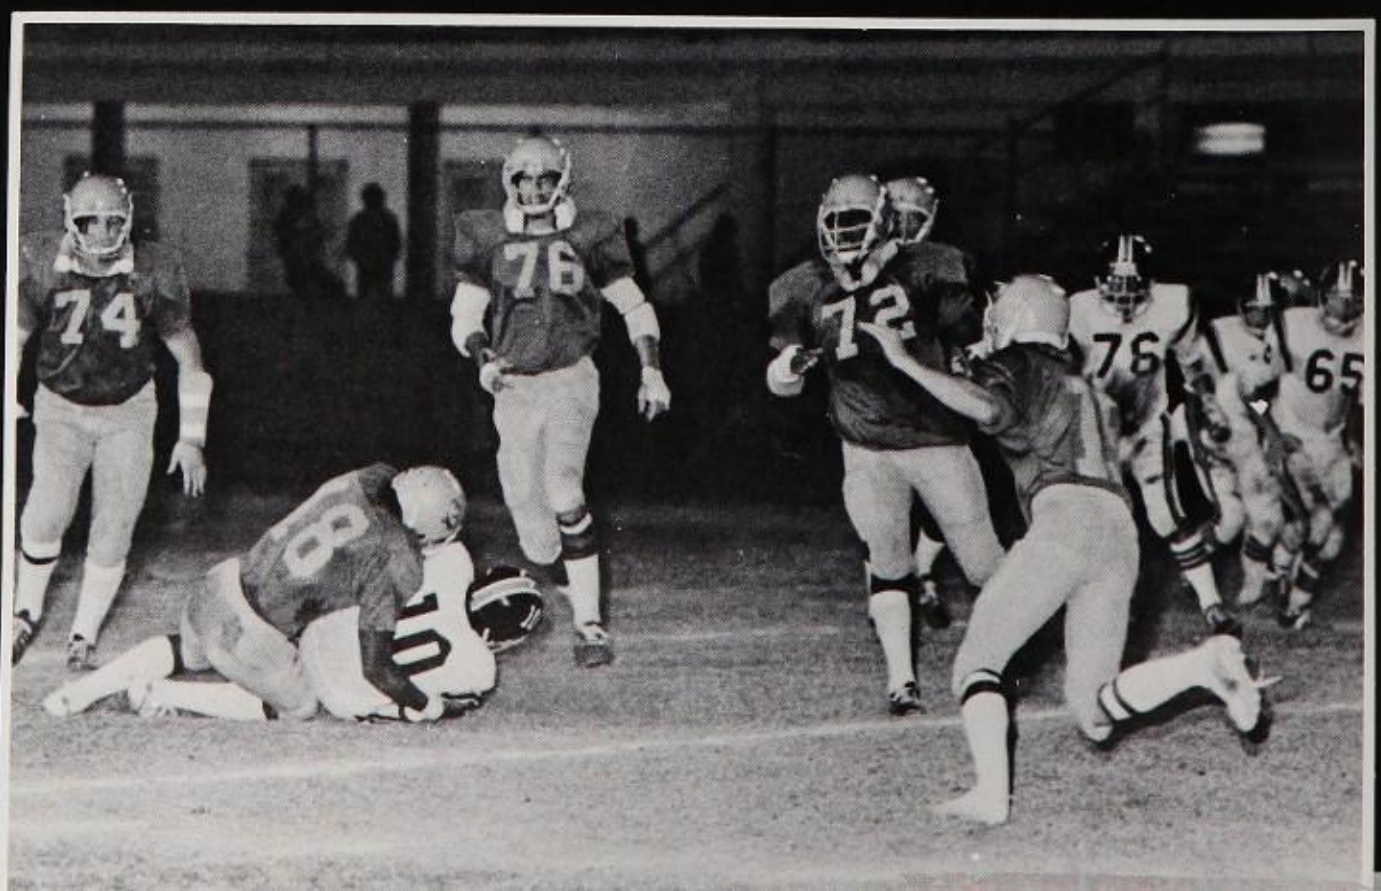
Senior linebacker Tim Gonzalez confers with Coach Tebb Kusserow.





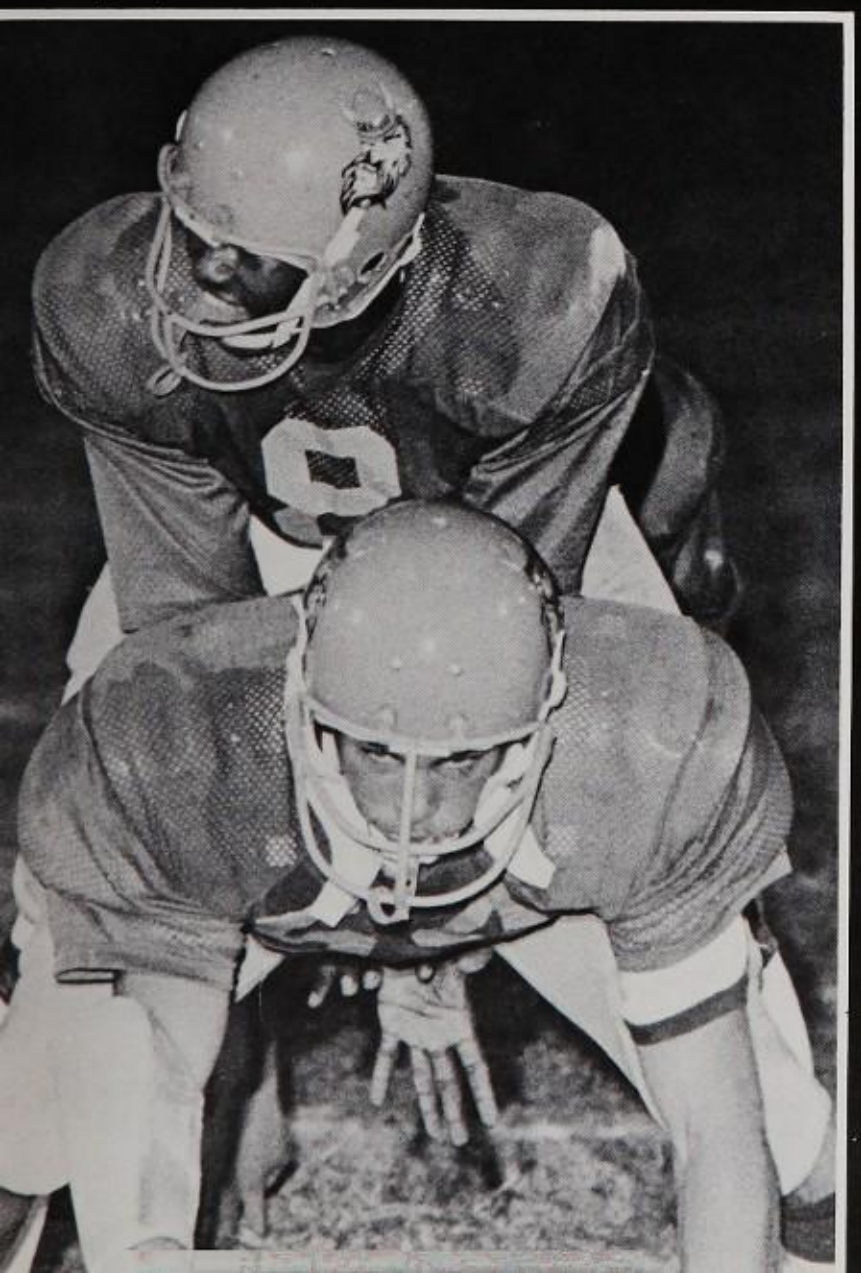
Terry Denham (42) heads for open field against Pasadena en route to long gain.

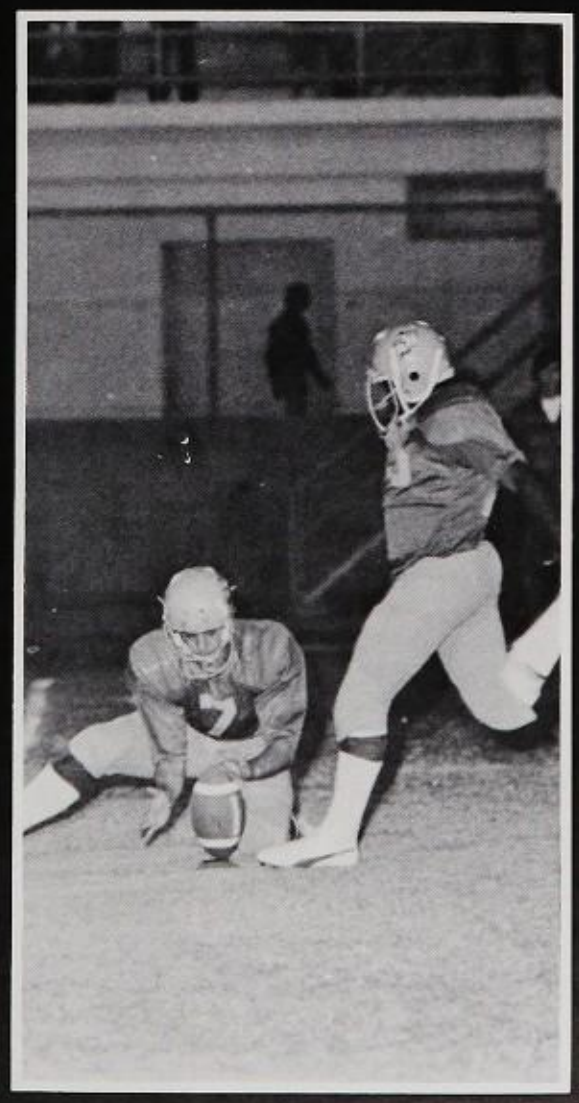
Joe Willis (18) nails Q.B. for loss as (74) Cy Bolton, (76) Gary Funderburk, (72) Robert Allison, and (15) Doug Steere move in.



With Rolling Hills defenders in hot pursuit, Dennis Thurman runs for needed yardage.

No it's not what you think! It's just Q.B. Dennis Thurman taking snap from Bob Ryan.





Greg Cheatham puts his golden toe into one of many extra point trys, with Tim D' Angelo olding.

# J.V. Football

For the J.V. football team, things turned out not to be so fortunate as they managed only two wins highlighted by a 6-0 shut-out of Palos Verdes.

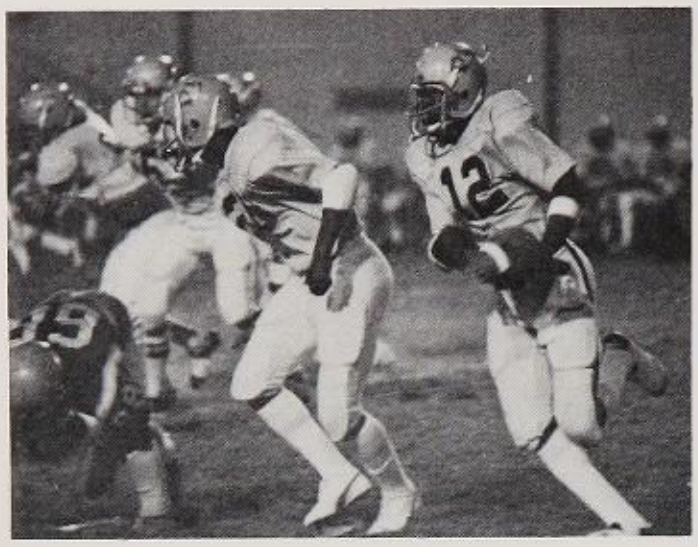
Coached by Tom Griswald and Steve Morgan, the Bikes did give a valiant effort, because most of the games could have gone either way as was evident against South in a 0-0 standoff.

Other close deals occured also as Samo lost two games by seven points.

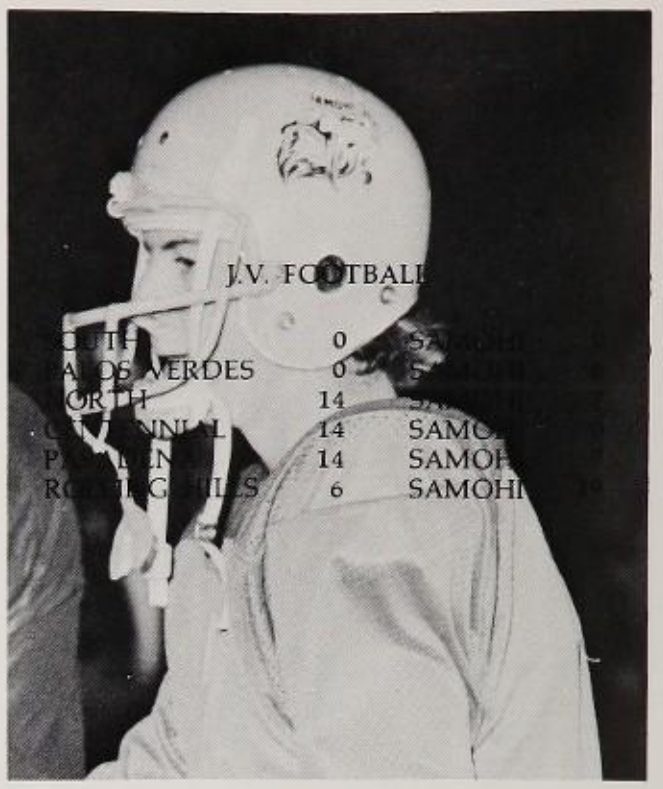
The Quarterbacking chores were handled by Tim D'Angelo and Stanly Knowles, who did commendable jobs under such conditions.

Picking up yardage for the J.V.'s were halfbacks Phil Carten, Billy McDonald, and George Walker, who all gave creditable efforts in a losing season.

As evident by the low scores, the defense picked up the slack in holding the other teams to a low scoring total. Another group of stars finished their season not exactly in the limelight, but next year will hold up the Samohi varsity tradition of winning football.



Getting blocking from Billy McDonald (26), Derrick Thurman (12) picks up ground.



**Bottom Row**-B.delPuente, J.Guerrero, T.D'Angelo, M.Lauren, A.Hoffman, F.Cassrez, **Second Row**-Coach Steve Morgan, A.DeGhionno, D.DeGhionno, M.Walkup, P.Carter, S.Knowles, B.McDonald, Coach Tom Griswold, **Top Row**-K.Moulton, G.Lemmonier, B.Downes, M.Davis, T.DeMarco, S.Brown, G.Walker

With Q.B. Tim D'Angelo (11) at the controls, Vikes move into action.

# Soph. Football

Guiding Sophomores this '73 season were head coach Irv Kasten and assistant coach Steve Morgan

Getting ready to punt is kicker Tim Leary.

Led by Head Coach Irv Kasten, the Sophomores had a fine season compiling a record of 7-2, beating the favorites: Pasadena, Centennial, and Palos Verdes.

The Sophomores started off the season with four wins in a row before bowing to West, going on to lose only one more game the rest of the way, that coming at the hands of North. It was the only shutout the Sophomores suffered.

Leading the mighty Sophomores were Quarterback Richard Schroder, who with fine passing and timely running, dominated most scoring drives.

Halfback Lemoine Dawson did some fine running and dancing, coming up with long gains when the Vikes needed them.

Griding out tough yardage was always Fullback Bob Leitelt who was Samo's "four yards and a cloud of dust" runner.

Kicking chores were handled by Tim Leary who did a booming job. And don't forget the defense which did an outstanding job. For stars of the future, the '73 sophomores gave a fine performance.

What can you say for this year's Girls' Volleyball team?

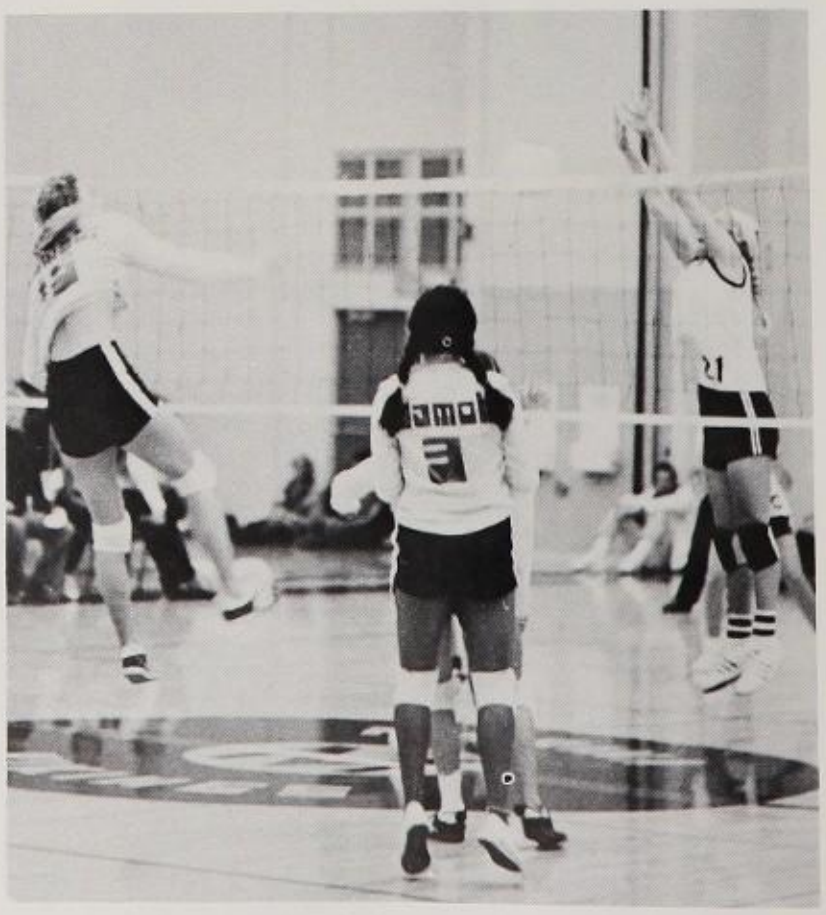
Well, if it was an everyday normal Girls' Volleyball team you could beat around the bush, but this year's '73 Samo team was better than normal. They were exceptional. And you could go on higher than that!

Coach Martha Ruby explains it best by saying "This year's volleyball team is the best ever at Samohi." It very well could have been.

On the year they played a total of twenty schools, including league games, and invitational tournaments. Being undefeated in Bay League Play, Team A swept to first place without any difficulty. Playing superbly they seldom gave up more than 5 points a game.

Taking time-out during recent CIF action are Carrie Eastman, Tammy Provansha, Claire McCarty, Jill Niles and spirit leader Linda Lloyd De Silva.

What else can Linda Lloyd De Silva do? Here she serves an ace.



Tammy Provansha, the gentle giant lets a spike fly in CIF action while Linda Lloyd De Silva watches.

Coach Marty Ruby

About to receive serve are Linda Lloyd De Silva, Jill Niles and Tammy Provansha.

In CIF tournament action, Samohi defeated Glendale 15-8, 15-6, and Aviation 15-12, 15-13. In the quarter finals the Vikes defeated Laguna Beach in the third game, lost to Mira Costa in the Semi-finals, and beat Santa Fe 15-8, 15-6 in the consolation for third place. A fine showing for the girls in CIF.

Coach Ruby went on to explain about this years team. "There is no one best player. Everyone fills in for each other's weaknesses. I think the girls are good friends on and off the court. I also feel you must have team spirit to win."

"The hardest team you ever play is yourself. After you overcome that, it's definitely easier to win."

Coach Ruby feels there was no one specific as far as a best hitter goes, but she singles out Claire McCarty as the best setter on the team.

Linda Lloyd Da Silva provided the humorous antics by being the comedienne of the team, and by also being the biggest moral booster of team spirit.

You would think with all this spirit that the team was wound up like a clock. "Not really" states Coach Ruby. "It's a battle of cool. A battle of the brains. You have to psyche yourself up."

Did the team live up to its expectations?

"This years team was highly skilled, and went above and beyond the expectations" continues Coach Ruby.

Rounding out the "A" team were Jill Weisman, Jill Niles, Tammy Rouansha, Carrie East Eastman, Patty Olsen, and Robin Christianson.

We didn't forget about the "B" team, and well we shouldn't. They also went undefeated in Bay League competition but there was no CIF berth for them.

Diane Doerflinger and Paula Schmidt are the most promising players for next season according to Coach Ruby.

"B" team also consisted of Maria Palmer, Holly Sweet, Cathy Beals, Wendy Steere, Dena Steere, Joanne Ohland and Becky Cleveland. Coach Ruby also stated that Maria Palmer was the best hitter.

Cross Country finished yet another winning season behind another guy named Beck (Steve not Curtis) while going on to post a 5-2 mark in league play, and doing an outstanding job according to Coach Paul Kerry.

The only two losses on the season came to the Peninsula harriers, Rolling Hills and Palos Verdes. Both those teams were top rated in Bay League.

According to Coach Kerry, the toughest league meet was against Palos Verdes as the Vikes were humbled 46-17 (lowest scoring wins). In that meet Beck took his first meet loss. Up to that point Beck was undefeated in league meets.

Also excelling was senior Steve Merriman who Coach Kerry commended by saying, "Steve did a very good job for us."

Talking about goals for the '73 season Caoch Kerry said, "I hoped one of our teams would go to CIF and I also hoped that Steve (Beck) would go to CIF, but unfortunately for us neither

happened. It was definitely, though, a team effort all the way, but it was hard losing two key individuals."

Highlights on the season for the Vikes was beating Torrance, last years Co-Bay League Champ, and also defeating the likes of North Torrance and West, while beating South Torrance. So for the Cross Country team it was a Torrance sweep.

The J.V. season proved a winning one also by finishing the season with a 4-3 mark.

Getting down to the Sophomores, well, they didn't have quite a good season at 1-6, but gave a team effort. They were paced by Bill Messenger who did an outstanding job in all his meet performances.

Now, with the Becks gone and numerous seniors graduating, one wonders about next year's team. Well, whoever they are, they will have some shoes to fill. But the guys leaving those shoes this year upheld the winning cross country form.

Ending up their season with a win, Samo's varsity water polo team finished a somewhat successful but frustrating season, finishing third in league play behind Mira Costa and Palos Verdes. Both of these teams were ranked in the top eight in CIF while the Vike poloists ranked in the top 15.

Coach Frank Brooks thought the team did better comparatively than he thought they would, but felt the team still could have achieved more.

Explaining what his goals were for the season, Coach Brooks said, "I wanted to see each player play up to his potential compared to his ability, and do the best he's capable of doing."

On the season Samohi ran up against some stiff competition in the likes of Sunny Hills, who Coach Brooks termed as probably the best team in CIF. The Vikes were blown out of the pool 14-4. Their toughest league game was against Mira Costa, the eventual league titlist.

Singling out players who contributed most, Coach Brooks said, "Jim Cherry and Pete Hester stood out on offense, while goalie

In the All League selections, the Vikes placed four people on the team. On the first team All-League, goalie Roy Salter and field player Jim Cherry were chosen. Second team All-League placed field players Joe Graftion and Peter Hester.

Coach Brooks explained that "The team was a young one and will be losing only four seniors, so the chances for next year look good."

The varsity compiled a record of 1-9 in the '73 season and 2-2 in league play.

Tournament play brought good and bad in the Vikes fortunes. While playing in the Long Beach Moore Tourney, Samo lost to Sunny Hills, while beating Los Amigos.Competing in the Anaheim tournament, Samo finished 2-2.

With all the good and bad for fortunes water polo still lives on at Samohi! The J.V. water poloists finished with an overall mark of 6-10 going 2-2 in league play, while the sophomore team ended their season with a 3-8 record and not winning a game in league play.

# Varsity Basketball

Coach Jim O'Keefe's varsity cagers ended their season with a 67-43 romp over South Torrance. Possibly their best game of the year, the Vikings blew the game wide open in the first quarter, scoring 12 straight points to take a 28-8 lead as South never closed to within 16 points throughout the game.

The varsity, 9-5 in league play and 12-10 overall, had a very tough schedule this year, playing six teams in the top 10 in CIF, but just missed going to CIF playoffs themselves by losing a coin flip with Centennial. "I was very happy with the team's effort this year despite the hard schedule we played," stated Coach O'Keefe.

When asked about outstanding players Coach O'Keefe said, "I was pleased with everyone's play this year, but mainly with that of Dennis Thurman. He finally reached his potential after a mediocre junior year" "Thurman, who led the team in scoring with a 17 point average is one of the best guards in CIF," according to Coach O'-Keefe.

Along with Thurman, six other seniors ended their varsity careers at Samo: center Tom Briggs, forward Terry Blackwood, Tony Raymo, Greg Tolson, and guards Howard Wedin and Harold Hofer

Although the Vikes started the season out rather slowly losing two of their first three games, they nevertheless were able to put together a three-game winning streak which boosted them back in the standings.

"My team has been playing with extreme intensity on both offense and defense," stated Coach O'Keefe, directly after Samo's fourth win. "What's more important is that we can now attribute our victories to a team effort."

In probably the most exciting game of the year, the game went down to the final buzzer, or final three buzzers depending on how you look at it. You would definately have loved every minute of Samohi's 62-61 nailbiter victory over visiting

West Torrance, a game in which the Vikes clearly demonstrated the improvement and poise Coach O'Keefe talked about.

This was Samo's third straight victory and was a classic example of a game decided at the last possible moment. Ironically it was Samohi who was forced to come up with the pressure play in each situation of the double overtime.

With only eight seconds remaining in regulation play and down by a basket, Terry Blackwood hit a short jump shot that tied the score and sent the game into the first over time. Enter excitement.

Next it was Dennis Thurman who dribbled the length of the court and dropped in a left handed layup at the buzzer, again tying the score and sending the game into a second overtime. Enter more excitement.

Then with only two seconds remaining and trailing by a single point it was again Thurman, this time hitting a 10 foot jump shot and sealing up the game for Samohi.

Enter pundamonium.

In tourney action this year, the Vikes would like to forget the Beverly Hills Tournament in which they lost two out of two games, getting eliminated by Millikan 79-48, after losing to Buena in the opening round.

"We were not mentally ready to play," commented Mr. O'Keefe, "nor did we attack their defenses because we didn't work on some of the things Buena did. We expected to experience pains along the way and the Buena game was an example." Samo lost 62-39.

Two of Coach O'Keefe's goals this year did not come true. Samo did not win the Glendale Tourney or the Bay League Title. Guess who won the both? If you said Paos Verdes you would be right. And who likes to lose to the Sea Queens . . . Sea Kings.

# Junior Varsity Basketball

This years JV team was that of ups and downs after finishing their pre-season slate with a 5-4 record, which include a third place finish in the Rolling Hills Tournament. After that point in the season, they fell completely apart in Bay League action, losing their first seven games. They finished the season with a 4-10 Bay League mark, and in overall play they finished with a 9-14 mark.

"We just committed too many forls on defense, and turned the ball over too much on offense," explained Coach Dick Beede. "We played very good defense, but the other team in most cases always got the break we wanted."

Coach Beede was especially pleased with the play of everyone on the squad, but mentioned Bruce Rice (leading scorer), Steve Kiser (leading rebounder), Kent Ligans (All Tournament Rolling Hills), Thomas Mays and Robert Pellioci as the outstanding players.

In the Fall sports awards banquet Kent Liggans was named as the team captain, while Steve Kiser captured the Most Valuable Player award.

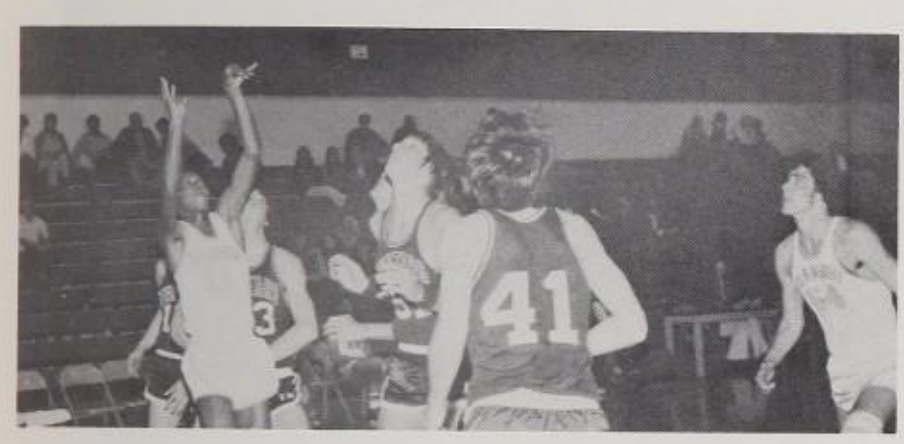
# Sophomore Basketball

Team Pix (Top L. To R.)



The most successful team this year was again the sophomores, coached by Mr. Ken Polerson. Winning their second title in as many years, the squad managed a 11-3 record in Bay League action. "This was an excellent team," commented Mr. Polerson. "They showed improvement over the year as each game produced. I was pleased with the overall performance of everyone."

In the two pre-season tournaments the sophs did very well, capturing the consolation bracket in both. Coach Peterson was pleased with the performance of Jerome Jolivette (leading Scorer; 16 point average), Cedric Sommerville (leading rebounder), Tony Gardello (floor leader), and Kurt Jarmusoh as his top players.

"If we had everyone healthy, we would have gone undefeated, and no one would have come close to beating us," was the comment made by Coach Mike Vincent on this year's second sophomore team.

Coach Vincent lost four of his starting five players due to injuries and the fifth starter was out two weeks with the flu. "I don't think there was one player that wasn't hurt at one time or another," said Coach Vincent.

Despite the injuries they finished fourth in league with a 6-8 record and an overall mark of 9-8. Mr. Vincent and Assistant Coach Frank Maser named Ed Kybartas, Lenny Payne, Bernard Fitchpatrick, John Ishihara and Charles Schweighard as the top players.

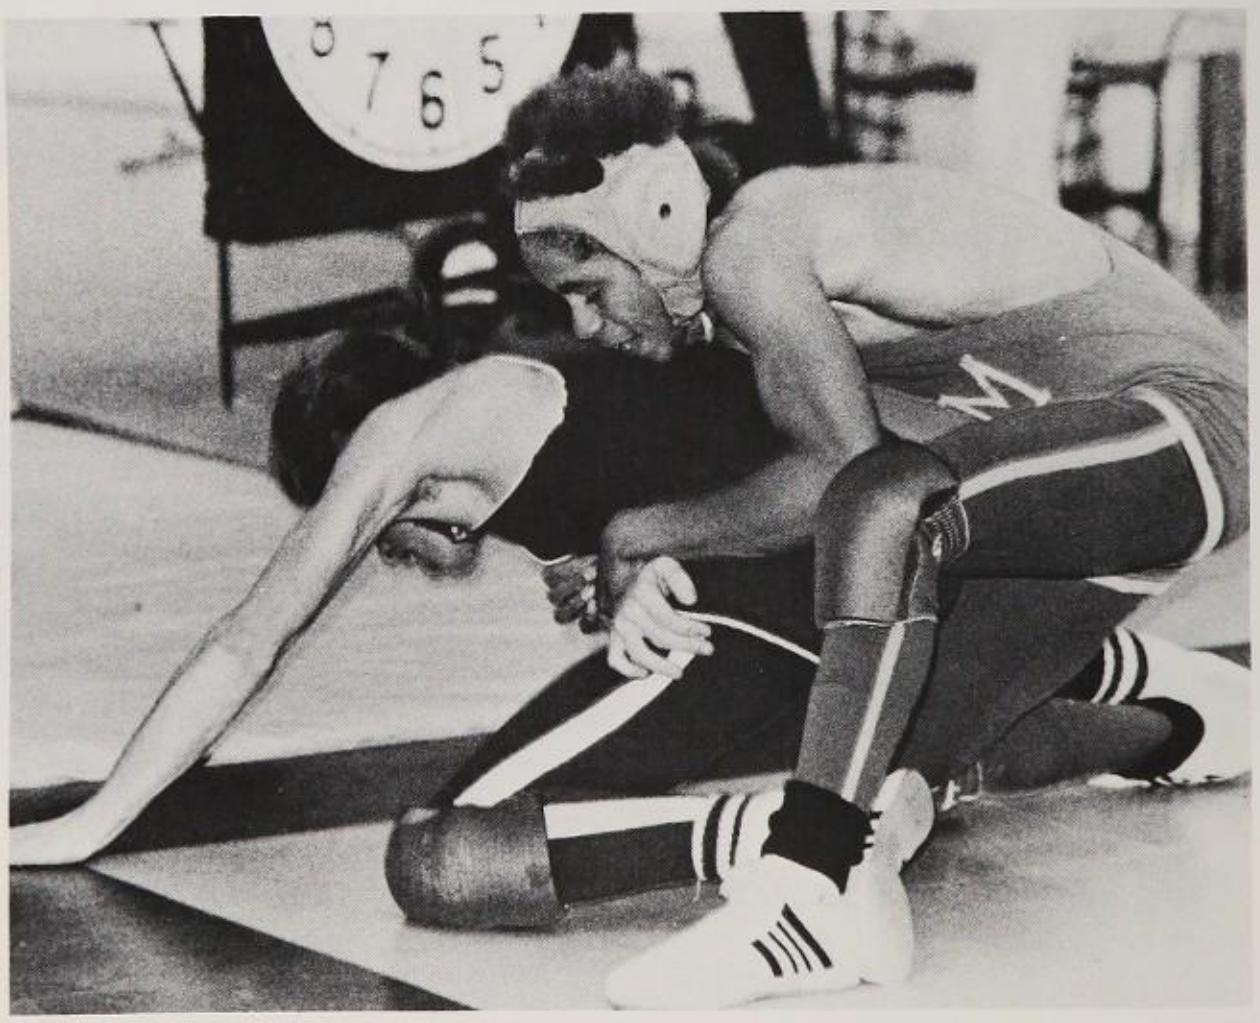
Trying to escape tough hold by South Torrance Wrestler is Vike Wrestler Ron Marquis.

In a year of rebuilding, the wrestling team showed much progress and improvements over the last year, showing wrestling hasn't died. And, apparently, it won't.

Coach Murphy explained about this year's team. "The wrestling team was a 100 per cent improvement over last year's team. The only problem, though, with a rebuilding team is that you get a lot of inexperienced wrestlers going against wrestlers from other schools that have had at least a year's experience behind them. This is what happened to Samo. This year we had only two returning varsity wrestlers in Bobby Herron and Joe Telfair to rebuild the team around."

Bobby Herron's record on the year was 27-3-2 overall. He took first place in both the Beverly Hills and Hawthorne tournaments. Meanwhile, Joe Telfair compiled a 13-9-2 mark, capturing fourth at Beverly Hills.

Hit by a mid-season slump that made shambles of a fine record, Coach Murphy thought that "our letdown was the unequal competion that the team had to face. The Torrance teams having such powerhouses that they pick who will wrestle varsity."



Bobby Herron gets tight hold on opponent, planning his next move.

Varsity's overall record was 3-7 while in Bay League they compiled a 2-5 mark. The JV's didn't do any better as they were 1-9 on the season and 1-7 in league.

Coach Murphy pointed out that the most improved seniors were Herron, Telfair, and Jose Hernandez, while juniors Mike Finegold and George Hall were the most improved. Also cited were Doug Takahasi, Mario Briones, and Mike Jantz. Most inspirational was Mark Arellano.

Next year, Coach Murphy, along with assistants Tom Conrad and John Abad, thinks that "we will have a better team because of league reshuffling and because of 11 of 13 varsity men are returning."

# Soccer

This years Varsity soccer team ended the '73-74 season with 5-3-2 Ocean League Record and an impressive 7-4-3 overall record.

The Junior Varsity Team did even better with a league record of 6-3-1 and a substantial 8-4-2 record overall.

Since last years season was mostly an uphill battle for CIF recognition, this year has been considered a great success for the team. Mr. Kent Francisco coached this "Much much improved team". He believes that the athletes are better prepared for competition in every way; both physically and emotionally.

Mr. Francisco has directed much of the growing success to Assistant Coach Jose Lopez, former captain of the UCLA soccer team and presently a student teacher at Samohi. It is hoped that he will be back next year, although his present plans are skeptical.

The Vikes represented Samohi best in most of their league games. Previous Varsity scores include victories over Culver City 2-0, and Mira Costa 1-0, a 1-2 loss to aviation, and their final game against Miraleste ending in a 1-1 tie.

The Junior Varsity can thank Forward Frank Farnetti, the teams leading scorer, who was given the JV most valuable player award, for his consistent Performance throughout the season. Coach Lopez commented, "I don't think that there's anyone who worked harder than Farnetti," and also, "He worked

hard in practice and hard in the games."

The Varsity teams most valuable player award was given to Forward Paul McCartney and Goal Keeper Flaviano Artis. Although many of the team's members continuously improved throughout the season, the improvement of Fullback Bob Karas and Forward Juan Hernandez was considered outstanding. In turn, both received the Soccer departments most improved Varsity player award.

Two of the team's leading Varsity scorers Paul McCartney and Ricardo Guevero will be graduating this spring. Others who will not be with us next year are Rene Cronenbold and Pete Nortman of the Varsity and Frank Farnetti of the Junior Varsity. The loss of these individuals will be substantial but Coach Francisco predicts, "Player-wise I think we will be alot stronger next year since we're losing so few". Coach Lopez has expressed, "We have enough kids who are good if they keep working". Many Varsity lettermen such as Junior Jim Watson quoted along with McCartney as being. "Two of the team's hardest players," indicates excellent prospects for the future.

The statements of the coaches and increasing capabilities of both the Varsity and Junior Varsity teams seems to ensure an even better and more skillful '74-75 season.

# Boys Volleyball

The 1974 Varsity Volleyball team has shown a great amount of ability throughout the early season in its defense of last years CIF title, the first ever since volleyball became a CIF sport last year.

Coached by Mr. Ken Petersen, this years team is currently ranked number one in CIF and are the favorites to retain the title again this year. "We have a very good team with consistent all around players, many who were on last years team." stated Coach Petersen.

Opening their season in early March, the spikers traveled to Serra in a scrimmage match and were beat in three out of four games. "That so far this season as been our worst match, I don't know what happened, but I hope something like that doesn't happen again." commented Coach Petersen.

In their next meet they scrimmaged against a very good Inglewood team winning 15-6, 15-8, 15-6, playing Mira Costa, the Viking won all three games to boost the record to 3-1 on the year matches. The scores of the Mira Costa match were (15-10, 15-6, 15-2). Commenting on the match Coach Petersen stated "The first game was close, but we got stronger as the game

progressed". Outstanding player in the contest were Dale Rhine, Scott Sollee, Marc Vessa and David Strausberg.

Samo then traveled to Culver city for their first night game and bested the Centaurs 15-10, 15-2, 15-4 "The same pattern pursists as with the Mira Costa match, the first game was hard fought, then he played very well". Bob Pellicci, David Strausberg, Tron Burdick and Scott Solle played very well."

Inglewood confronted the Vikes next, and showed why they are one of the better teams in CIF as the Vikings beat them for the second time 17-15, 15-9, 16-14, but as the scores indicate it could have gone either way. "We won the first game luckily and the second easily" commented Coach Petersen, "but the third game was again hard fought and we were fortunate to win it"

With the Bay League opener their next meet, Coach Petersen evaluated on the strength of this years Bay League, "Samo should win the Bay League, because we are the strongest team in league, but North Torrance should give us our most competition"

In non-league action the toughest opponents will be the Palisades Dolphins, who Samohi defeated last year for the CIF

title and Inglewood who Samohi has already beaten twice this season.

Comparing last year's team to this years team Coach Petersen said, "We are not as overpowering as last year, but we have about six or seven good all-around players, we will have to concentrate a great deal to be as good as the team of last year, but our main weakness would be our height, we're small compared to some schools we've played.

After opening the Bay League with easy victorys over Loyola and Torrance, the spikers entered the El Camino Tourney, and defeated Inglewood in the finals, 11-3, 11-4, to take the championship. "We played really good in this tournament, everyone really put out an effort, this I would say has to be our too moment this season" staked Coach Petersen.

According to Coach Petersen the best players on the years team are David Strausberg, Dale Rhine and Scott Sollee. The most consistent has been David Strausberg while our best hitter and setter are Dale Rhine and Scott Sollee.

Coach Ken Petersen voices his opinion

like their counter parts, the Varsity have also had an excellent season as they have swept past opponents for first place in Bay League and a undefeated pre-season.

Citing Jim Adams, Richard Santora and Jose Audero as the top players Coach Petersen stated "This team although undefeated has been somewhat inconsistent, due mainly to lack of experience such as in our worst game of the year, we beat a very weak Torrance squad, 15-13, 15-10 but then beat a very good Inglewood team two straight games in what some could call no contest."

The strength of this years team has been their overall good ability and determination while the weakness has been there smallness in height and costly mental errors.

According to Coach Petersen, the best hitter on this years team has been Jose Audero, the best setter has been Jim Adams while the most consistent has been Richard Santora.

If the quality of this years varsity and junior varsity teams continues it looks like Samohi will be a major CIF contender for some time to come.

G.A.A.

# Girls' Athletic Association

The Girls' Atheletic Association over the years has become a very important organization at Samohi. Providing the girls with superior atheletic ability the opportunity to compete in organized sports, G.A.A. has grown into a large group of fun-loving competitors. The Girls' Atheletic Association offers a program of enjoyable sports activities and encourages cooperation and good sportsmanship.

Led by president Terry Meador and vice-president Susan Garacochea, G.A.A. sponsered a Christmas playday inviting Several Bay Area schools including Mira Costa, Beverly Hills, and Torrence. The playday consisted of competition in ping-pong, badmiton, bowling, archery, golf, fencing and track. Slaughtering the other teams in every event, G.A.A. came up with an overwhelming victory.

Other officers include Eileen Barnard, corresponding secretary; Candy Arnold, recording secretary and Cynthia Adkins, sports spree manager.

Sponsered 1st semester by Marty Ruby, Mrs. Carruthers, and Mrs. White, G.A.A. suffered the loss of Mrs. White, who is on maternity leave, for 2nd semester. These teachers aid in the organization of Activities and the instruction of the various sports.

Throughout the year, the girls of the Girls' Atheletic Association, have been very much involved in school activities. They actively participated in Homecoming by decorating the Greek Theatre Area, and also addidted the C.I.F. girls' teams of Tennis and Volleyball. In fact, the majority of the girls on these teams were also members of G.A.A.. This proves the high caliber of excellent atheletic ability required to be a member of this organization.

By continually aiding girls in the further development of a high degree of atheletic ability, G.A.A. has again succeeded in being one of the most rewarding and outstanding organizations at Santa Monica High School.

# Girls Tennis

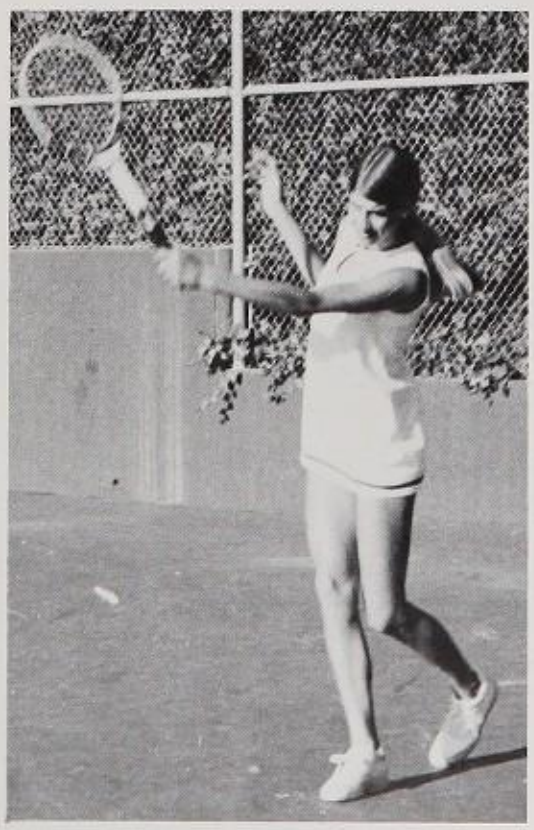
Gail Rawn is the most consistent player on the team.



Frances Chase follows through for a smooth return.

Boy's Tennis may have dominance at Samohi by winning so many Bay League Titles, and moving into CIF action every year, but on the other side of the court comes the Girls Tennis team. And they come on strong in every way.

By coming in 3rd in CIF they have finished better than most teams in the past have done.

Coach Marilyn Carruthers talked about this years team. "We had a very good team. The competition was very stiff and the matches were close. I was proud of our team as the girls were very sportsmanlike in both their losses and wins. Group feeling was one of the best even when the team was defeated."

Mrs. Carruthers went on to say that the stiffest competition came from South Torrance and Rolling Hills. "Yes, the team lived up to its expectations." stated Carruthers, "We had a good season."

In Mrs. Carruthers estimation she cited Robin Trumbull as the Most Valuable Player, and Gail Rawn as the Most Consistent.

"The Most Improved player would have to be Frances Chase," explained Mrs. Carruthers.

Mrs. Carruthers commented on Robin, "She's a very beautiful player and has improved alot in the two years, I've watched her play."

In league the girls played under a new set of rules concerning the number of games and players to be played at a match. Istead of playing only one match the girls took on all four singles players from the opposing team and play three sets instead of a 10 game pro set.

"The strength this year," explains Mrs. Carruthers, "Is that we were evenly spaced out as we had alot of depth in both our doubles and our singles line ups."

Adding their efforts to the team were; Lisa Boomgard, Stacy Dancy, Nancy Davis, Eileen Barnard, Susan Kane, Anna Cher, Jenny Smith, and Abby Lunsden.

# Swimming

Throughout the tough '73 campaign, Samohi's varsity swim team was very strong both in spirit and determination. Under the leadership of Coach Frank Brooks and Assistant Coach Bob Coulter the tankers ran off two straight pre-season wins by defeating Aviation and Burbank. Their lone loss came at the hands of Miraleste, running the Vike's preseason record to 2-1.

With the Bay League opener before them, Coach Brooks was very optimistic about his teams chances in the very tough Bay League. "Our chances for a League swim title are pretty slim because we are in the strongest league in CIF with Mira Costa, Rolling Hills, Palos Verdes and Beverly Hills, all top ranked teams." "But with a little luck and some outstanding performances, we'll be in it."

In their first league meet of the year the Vikes traveled to Rolling Hills and were defeated by the Titians in a very close meet 91-85. "I was impressed with our performance both as a team and individually." stated Coach Brooks.

In a dual meet against league favorite Mira Costa and powerhouse Beverly Hills, the Vikings were defeated by a total of only nine total points, losing to Mira Costa, 91-84, and Beverly Hills, 89-87. "In a couple of key places we didn't swim as well as we have, which probably cost us the victory." stated Coach Brooks. Outstanding performances were turned in by diver Sue Idler, who won diving competition, sprinter Scott McAfee who was victorious in the 50 and 100 freestyle and Don Cheetham who qualified in CIF in both the 100 breastroke and the 200 individual medley.

In the final league meet the Vikes entertained Palos Verdes and were downed by the Sea Kings 89-83 as Scott McAfee (50 freestyle), Don Dorr (200 freestyle), Jeff Cherry (500 freestyle), and Don Cheetham (100 breaststroke and 200 individual medley) were all victorious.

Although the Vikings finished 0-4 in league meets, they didn't lose by any more than seven points in any one meet which shows that if Samo was in any other league they would surely be the team to beat.

With the Bay League meets ended, the tankers turned their preparation toward the Bay League Preliminary and Finals, both which were held in the waters of "Drake's Lake". "Basically, we're trying to have each swimmer do the best he's capable of doing" commented Coach Brooks. "As a unit, the championship meet represents a chance for Samohi to move up in the Bay League standings."

In the preliminary meet, Samohi placed 24 swimmers and two medley relay teams in the finals as Scott McAfee (50;100 freestyle), Pete Hester (50 freestyle and 100 breaststroke), Jeff Cherry (200, 500 freestyle), Jeff Anderson (200,500 freestyle) and Don Cheetham (100 breaststroke and 200 individual medley) all qualified in two individual events, while divers Sue Idler and Bob de la Puente finished sixth and seventh respectfully.

In the finals, Don Cheetham grabbed a first in the 100 yard breaststroke and a third in the 200 individual medley while Scott McAfee placed second in the 100 freestyle and Don Dorr placed sixth in the 500 freestyle.

With all team events completed for the year, individuals highlighted the remainder of the season as Don Cheetham and Scott McAfee qualified in the CIF preliminaries which determine which swimmers from more than 130 schools statewide will qualify for the CIF swimming championship which were held at East L.A. College.

In the prelims, Cheetham was Samohi's only representative as he broke the school record in the 100 breaststroke with a clocking of 1:03.4 and in the finals he came in a commendable tenth in the same event. Commenting on this year's team, Coach Brooks stated "The

individual performances were at times outstanding and the fact that the swimmers responded to the fact that we played very tough teams made it a gratifying season."

When asked the most consistent swimmers, Coach Brooks replied Scott McAfee, Don Cheetham, Jeff Cherry, and Sue Idler.

Under the direction of Mr. Frank Brooks and Mr. Bob Coulter, the 1974 J.V.-Soph team had a very good season as they too battled very stiff competition in the tough Bay League.

Posting a record of 3-1 in league competition, the J.V.'s were led by Joe Grafteon who was the most consistent swimmer and Russell Copley, Bruce Buffer and Peter Halenbeck. "Our strengths were like those of the varsity, in the freestyle events where we have some outstanding swimmers" stated Coach Brooks.

In the Bay League Finals, Russell Copley swimming the J.V. 100 freestyle captured first place and set a Bay League record with a time of 55.7 while Bruce Buffer placed sixth in the 50 freestyle and Peter Halenbeck placed fourth in the 100 breaststroke.

With a record of 4-4 on the season and 2-2 in league, the Sophomore team contained some fine future prospects. "Everyone was just tremendous this year with marked improvement shown after each meet" commented Coach Coulter.

The Sophomores were led by MVP Bill Mammarella and the most improved Swimmer David Sell. Highlighting the season was their fine showing in the Bay League prelim and finals were Jeff Anderson who took fourth in the 50 and 100 freestyle, Albert Williams placed sixth in the 50 butterfly, and David Condon a fourth in the 50 backstroke.

In the CIF prelims, Efstathios Gourgouris qualified for the 50 yard butterfly event.

The Varsity Tennis Team completed another successful season this year which included an impressive win over Palos Verdes.

Mr. Finch talked about this years Tennis team. "This team has to be one of the best we've ever had. They exceeded my expectations, they improved more than I thought they would. They were all very consistent as far as the season went. The team had great depth, in that they worked together as a team, which helped them to be more of a winning team." He continued "At one time in the season we were ranked 1st in CIF. We had a great opportunity to go far in CIF. It was truly a great season."

Citing the best double duo as Joel Miller and Ed. Yueh, Mr. Finch also said that Brad Omick as the best TV singles player and Mark Naylor and Mike Barto as the best doubles. "The JV's were all consistent" said Mr. Finch, "They also had tremendous depth which helped them to be a winning team."

"My best moment of the season was when we beat Palos Verdes 20-8. It was my best win in my coaching career to date," explained Mr. Finch.

"My most humorous moment comes everyday at practice" commented Mr. Finch. As far as the J.V.'s go, it was one of the best teams I've ever had. We'll have a great team next year.

In pre-season action the team did very well with victories over Santa Barbara and Redlands. They beat Santa Barbara 21¼-6¾. "The whole team played well" stated Mr. Finch. The Long Beach Poly and Santa Ana Matches were cancelled because of rain. The tennis team finished the pre-season schedule with a tough match against Beverly Hills. Samohi, looking for revenge from their first defeat at the hands of Beverly Hills lost once again 16-12.

"They changed their lineup but I can't say they played any better" remarked Coach Finch. But he added "I thought we were capable of playing better.

Junior Varsity didn't have much luck either winning two matches and losing five.

Samohi ended their pre-season slate with a 2-2 record. Many games were cancelled in pre-season, including the much-looked-forward-to match with Palisades.

Starting off Bay-League action Samo downed Rolling Hills 20¼-7¾ a one-sided success.

Rolling Hills had the 12th ranked player in the nation, plus two others ranked high nationally, so the Vikings were up against some stiff competition.

In singles play Brad Zerbe won three sets and lost one and Joel Miller won three and tied one. Ed Yueh and John Maresca each won two and lost two. In doubles competition Jarko Rintanen and Dave Schott won three sets while the pair of Harold Hofer and Jamey Wilson won three and split one.

Palos Verdes provided the next opposition. The Varsity Tennis team triumphed in a most important match against the number one team in CIF. The Final score was 20-8.

Although Palos Verdes was missing their number one and number two men they were greatly favored to win.

"What the team did" explained Coach Finch "was make the best of a golden opportunity. The team played super" he emphasized. "Every single one of them played great.

So the tennis team had another great year behind the great, if not super effort, by Coach Leland Finch and some fine play, led by seniors Jamey Wilson, Harold Hofer, and Ed Yueh.

# Varsity Baseball

Although the Baseball Team had its ups and downs throughout the year (after winning CIF last year) they still accomplished an impressive spring led by the graduating seniors.

Mr. Don Sealy lauded the pitching staff, consisting of Anthony "A.D." Williams, Jim Gilchrist, Richard Taylor, and Frank Caserez of doing a fine job all year long and gives all the credit to Mr. Tom McCaffery who worked with the pitchers from start to finish.

The infield was bolstered by Darryl Young and John Eigenauer who held down first, Guillermo Hernandez and Billy Navarro at second, David Jones at shortstop, and Mike Tennant and Ron Morphy at the hot corner.

In the outfield, the guys who could go get 'em were Dennis Thurman, Joel Falvey, Billy McDonald, and Big Al Gleissner.

Holding down the catching duties all year long was Terry Bevington and his golden arm and everything else that went with that; which wasn't much!

Injuries plagued the team all year long. This was true of a few guys who won the coveted P.H. award throughout the year. John Eigenauer broke his mouthbone, Terry Bevington strained a muscle in his arm, Richard "Mumbles" Taylor broke his jaw, Joel Falvey strained ligaments in his knee, Billy McDonald sprained his foot, David Jones had back problems and a broken nose, Guillermo Hernandez hurt his hand, and Big Al Gleissner never found out what was wrong with himself. This team could have applied for disability!

And now for some lighter moments on the season.

—We'll all remember Daryl Young's homer at St. Bernards and how his head swelled so much that he couldn't get it through the door that night.

—We'll all remember how Terry Bevington got dirtier every game so that his uniform went from white to primer gray.

—We'll all remember John Eigenauer and his sport quizzes on those bus rides all year long, and how he bit into his mitt and lost his front teeth.

—We'll all remember how Richard Taylor couldn't talk on a baseball field for four weeks.
—We'll all remember Guillermo Hernandez who didn't talk at all.
—We'll all remember Billy Navarro who some said had his lips puckered constantly.
—We'll all remember David Jones and his comment at Lynnwood, "It slipped."
—We'll all remember Ron Morphy who could gas on people, but did Ron realized how funny he looked in a uniform?
—We'll all remember Mike Tennant who was just a stud.
—We'll all remember Joel Falvey who will have the P.H. award changed to the J.F. award, not that he didn't deserve it.
—We'll all remember Dennis Thurman who made fun of Frank Caserez giving up two homeruns, then promptly went out and gave up a H.R. and stood on the mound with a grin.
We'll all remember Billy McDonald and his storehouse supply of shoe polish.
—We'll all remember Big Al Gleissner who couldn't remember us and his famous three word saving.
—We'll all remember Frank Caserez the Irishman, who was nicknamed Frankie Four Bagger.
—We'll all remember Anthony Williams, the only person ever to round first, head for second, fall down and break his thumb.
—We'll all remember Jim Gilchrist and his superstitions which drove the team nuts.
—And we'll all remember Coach Don Sealy who did a fine job with the team throughout the year. "Give me a break, kid." become a household saying on the team.
—We'll all remember Mr. Sealy's arguments with umpires and so will the umpires.
—We'll all remember the pre-game conferences at home plate where Terry Bevington explained the ground rules to the visiting coach and was stunned when one coach asked what happens when the ball goes over the fence.
—We'll all remember Big Al hitting aspirin tablets.
—We'll all remember how Joel Falvey on the basepaths and how fast he got off.
—We'll all remember practicing in the girls' gym with tennis balls.
—And we'll all remember the

graduating seniors, Anthony Williams, Dennis Thurman, Richard Taylor, Jim Gilchrist, Al Gleissner, Joel Falvey, Terry Bevington, Daryl Young.

Capping the pre-season schedule, Samo started off by playing St. Bernard and defeated Vikings 2-1 on two homers coming from Young and Hernandez and received some fine pitching from Anthony Williams and Gilchrist.

In the second game Samo defeated Bishop Amat 1-0, the game winning hit coming off the bat of Gleissner, who drove in Morphy who had tripled.

"Up to that point in the season we didn't have much batting practice." stated Coach Sealy, "But our hitting improved by league play."

Next the Vikes encountered Royal High and lost to the visitors 2-1, getting only four hits in seven innings, two by Young.

Culver City invaded Samo's campus next and were set back 2-1. Richard Taylor started on the mound and was relieved by Williams. Coach Sealy concluded that was the best hitting effort up to that point in the season. "We hit the ball good." said Mr. Sealy.

Bassett provided the opposition in the next game but were handed a 3-0 defeat. Frank Caserez pitched the first four innings and Taylor came on for the final three to pick up the save.

Compton handed Samo a stunning defeat in the next game 3-2.

In their last two outings of the pre-season slate, Samo defeated Venice 2-0, and Lynwood 5-0' behind the pitching of Williams and Caserez. Gleissner again in both games swung the bat connecting for a triple in the Venice game and a double in the Lynwood driving in important runs in both games.

On the season as a whole, Coach Sealy was happy with the play of the graduating seniors who provided leadership throughout the year.

Yes, we'll all remember the Varsity Baseball Team. On and off the field.

# Track

The 1974 version of Samohi track began slowly and quickly improved as the season progressed. Coached by Mr. Paul Kerry and his assistant Mr. Mike Vincent, the thinclads strength was in the middle and long distances with Steve Beck, Steve Merriman, John Nelson and Tom Gallagher coming through with some outstanding performances.

Starting their season with a non-scoring practice meet against Banning, Coach Kerry reflected, "a meet like this can really work to our advantage because competing against Banning gave me a chance to see the entire team in action. Outstanding performances were turned in by John Nelson and Mike Walkup in the 440, Tom Gallagher and Dave Reed in the 880 and Steve Beck in the two mile. Shot putter Jeff Duvardo and high jumper Donny McNeal also did well according to Coach Kerry.

Opening their Bay League slate against CIF Champion and defending Bay League Champion Centennial, the Vikes were narrowly defeated 60-57 with the final event deciding the winner. "Thats a tough way to lose the opening meet but I was glad they did as well as they did against Centennial," said

Coach Kerry. Top marks were turned in by Steve Beck in the mile, Tom Gallagher in the 880 and Gabor Dobos in the 2 mile.

Sporting a record of 0-1 in league competition the tracksters traveled to West Torrance and lost 79-39 to a tough Warrior squad. "I was very pleased with their performance against West because almost everyone improved their marks over their last meet," commented Coach Kerry. Top performers against West were John Nelson who finished second in the 440 and anchored the first place mile relay team, sprinter Steve Beverly who finished third in the 100 and second in the 220, Jay Guerrero who recorded his lifetime best while finishing second in the 120 High Hurdles and third in the 180 Low Hurdles, high jumper Donny McNeal and shot putter Jeff Duvardo.

In perhaps their best showing of the season, the varsity killed South Torrance 62-38 in winning their first meet of the year. "We did just about everything right," said Coach Kerry. The Vikings dominated the meet as the Spartans won only two events-those being the 120 high hurdles and 180 low hurdles. Outstanding performances for Samohi were turned in by Steve Beck who won the 880 (1:58.4) and the two

mile (9:38.8), Tom Gallagher who won the mile (4:30.5), Chris Hoff in the 100 (10.6) and Richard Lightsy in the 200 (23.7) and 100.

Between Bay League battles the Vikings entered the Inglewood Relays which involved 35 other high schools around Southern California. The varsity copped third place in the team standings while taking firsts in the two mile relay with a team of John Nelson, Tom Gallagher, Steve Merriman and Steve Beck and in the Distance Medley Relay with Beck, Nelson, Gallagher and Dave Reed doing the honors. The shot putters also took a first with Jeff Duvardo, Cy Bolton and Jeff Hickey competing as a team.

In their final league meet against top ranked Rolling Hills the Vikes ended their season with a 35-72 defeat to finish with a 1-5 record but as some of the scores indicate the Vikings were in many close contests.

With all league meets and team relays over, the thinclads turned their preparation toward the Bay League preliminaries where Coach Kerry hopes that many of the Vikings will be in the finals. "I think that Beck, Gallagher, Reed and McNeal could all go to the finals.

# Golf

Lining up putt is golfer Scott Armstrong.

Chris Schoch resembles a picture of frustration.

Chris Schoch sinks yet another putt.

Under the guidance of Coach Irv Kasten, the Varsity Golf Team finished again with a somewhat successful season.

Leading the golfers was Chris Schoch with a 38.5 average, followed by Doug McGregor 44.0, Scott Armstrong 40.7, Mike McKay 44.0 Steve Roper 45.0, and Duke Blackwood 45.6.

The Vikes competing in the tough Bay Pioneer League, encountered many strong teams such as Miraleste, Palos Verdes, Leuzinger and Rolling Hills.

In one of their first outings of the season the golfers met Palisades at the Brentwood Country Club and smashed the Dolphins by 24 strokes 222-248, which at that point upped their pre-season record to 4-2 for the year. Chris Schoch was medalist with a 41 followed by Mike McKay and Scott Armstrong at 45, Joe De La Puente at 46, Steve Roper at 47 and Doug MacGregor with a 48. "We didn't play up to our ability" commented Coach Kasten. "That 224 was one of our worst scores of the year."

In a following match against Inglewood, again held at the Brentwood Country Club, the varsity defeated the Sentinels by nine strokes 213-222, which gave them a 5-2 record for the year. "I was happy with that win because Inglewood beat us the first time we played them." commented Coach Kasten. In the Inglewood match, Chris Schoch was medalist with a 38, followed by Doug MacGregor at 41, Mike McKay at 43, and Steve Roper and Duke Blackwood with 49's.

"I was pleased in that match with our individual play but not with the overall team performance, despite shooting our third best score at Brentwood for the year.", stated Coach Kasten.

So despite not getting stuck in any sand traps, not getting lost, not falling in any lakes, and by not digging up golf courses wherever they went, the Golf Team finished their season with two birdies, an eagle and a duck. Willie Waterhazard claimed the duck.

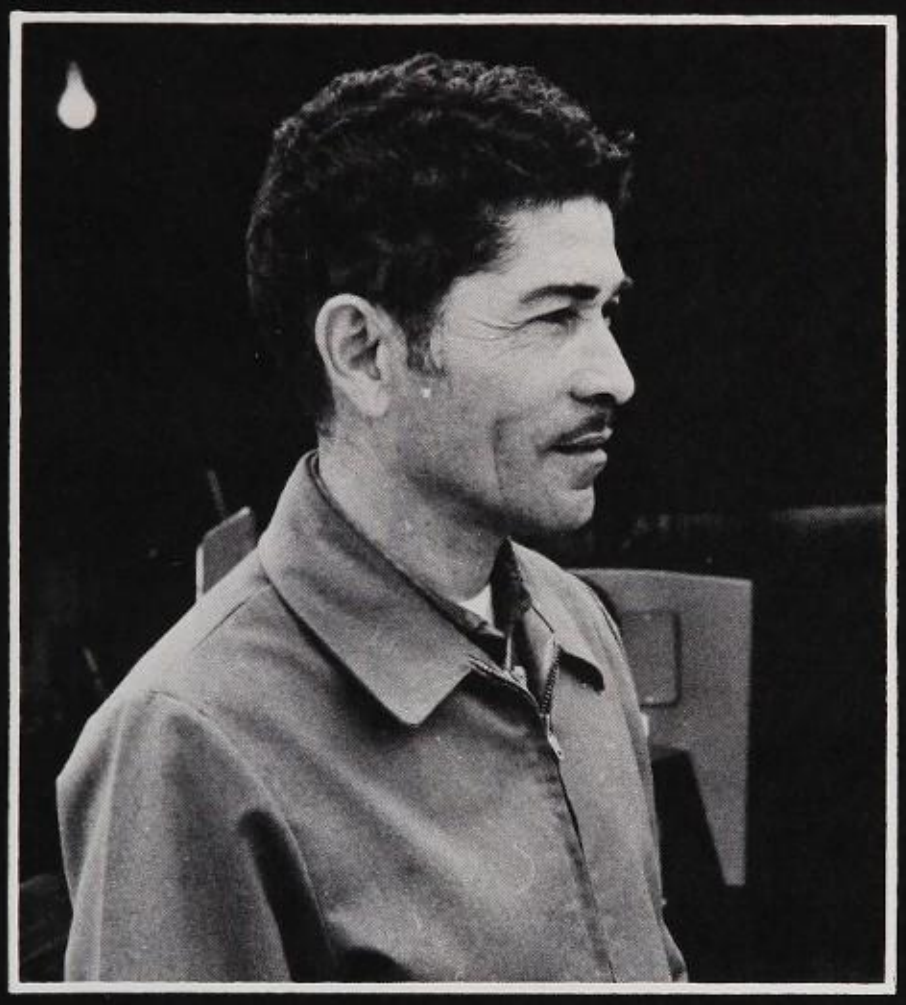
# Dedication

## To Jesse Rodriguez



By anyone's standards, one of the most decent and kind persons in Samohi is Head Gardener Jesse Rodriguez.

Jesse, as he prefers to be called, has been with Samo for 18 years. In that time, his dedication to the school's grounds and population has been unsurpassed. It is with this in mind that the editorial staff of the 1974 NAUTILUS dedicates this book to this man.

# The Final Analysis

Putting together a yearbook has cost me several sleepless weekends but during these pre-deadline scrambles I was able to learn much about the people I have worked with. It is to these faithful members of the staff that I would like to extend my heartiest thanks.

## A Special Thank-You to

Richard Mackson, for saving sports editor Taylor; Gretha, for staying out of our way; Karen, for turning in so many photos; Neil Young, for keeping us company late at night; Mr. Larry Knuth, for his 2 a.m. pep talks; Lawrence Hatch, for 340-4 barrel, Arrow Bear, and his Nikon; Mr. Porter Leach, for his guiding hand; Janey Kho, for helping in every way possible; American Yearbook Co., for making the NAUTILUS what it is; and very special thanks to Ruth Kassowitz and Gary Field, who backed me up when I needed it.
